

ASSOCIATION OF ENERGY ENGINEERS

To promote the scientific and educational interests of those engaged in the energy industry and to foster action for sustainable development

Association of Energy Engineers

St. Louis Chapter - Monthly Newsletter

In-Depth Seminar:

Successful Energy Management Plans

Presented in partnership with USGBC-Missouri Gateway Chapter.

Pilar Karlen, Energy Manager, Missouri State University

Jim Stueber, Senior Director of Facilities Operations, Washington University School of Medicine

Presenters will provide an overview of successful energy management plans that have been implemented at local campuses. Topics of discussion will include an explanation of the energy areas monitored, how areas were targeted, and possible future efforts. Presentations will be followed by a panel discussion.

2 GBCI CE Hours / 2 AIA LU/HSW

November 4, 2015 / 3:00 – 5:00pm

Missouri Botanical Garden's Commerce Bank Center for Science Education

4651 Shaw Blvd.

World Energy Engineering Congress 2015

AEE is very pleased to bring the World Energy Engineering Congress (WEEC) to Orlando for 2015. Now in its 38th year, the WEEC is well-recognized as the most important energy event of national and international scope for end users and energy professionals in all areas of the energy field. Learn more at <http://www.energycongress.com/>.

We are looking for sponsors!

Being a St. Louis Chapter lunch sponsor means providing lunch at a meeting and a donation of \$300, which gets you or your company recognition at the meeting and a logo on our website (<http://www.aeestl.org/>).

Interested in joining or becoming more involved?

Email us at president@aeestl.org.
