Letter from the President

Welcome Shooters,

On behalf of the Board of Directors of the Colorado State Trapshooting Association, I want to welcome all shooters to the 2024 Colorado State Trap Shoot. For the 2nd year in a row, we have made some significant changes to our State Shoot Trophy budget and we hope you'll notice the improvement in both the quality of our trophies and the improvement in the Out of State trophy package (quality and quantity). We have a CSTA trophy team dedicated to try to bring some unique quality trophies to our Colorado State Shoot and we hope you will enjoy competing for them.

We are working to improve our CSTA web site as well and would love to hear any feedback you have. The entire State Shoot program is available as a PDF on the CSTA web site (ColoradoTrap.com) and we hope you'll reference it often. We have purposely limited the amount of printed programs available to instead use that money for improved trophies.

A big thank you to Delta Trap Club for hosting the State Shoot this year as their group of energetic directors, staff and trap help will surely put on a quality shoot supervised by steady veterans and ATA leadership. Weather may be fickle but our trap friends are solid.

Good luck. Have fun and break 'em all!

Mike Wasserburger - CSTA President

Special Categories

SPECIAL CATEGORY SHOOTERS

All Lady I, Lady II, Sub-Juniors, Junior, Junior Gold, Sub Veteran, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran) Note: Chair shooters are exempt from this rule.

1. A female shooter, who has not reached her 55th Birthday, may declare Lady I.
2. A female shooter, who had reached her 55th Birthday, may declare Lady II.
3. A shooter who has not reached his/her 15th Birthday, may declare Sub-Junior.
4. A shooter who is 15 but has not reached his/her 18th Birthday may declare as Junior.
5. A shooter who is 18 but has not reached his/her 23rd Birthday may declare as Junior Gold.
6. A shooter who is 55 but not reached his/her 65th Birthday may declare as a Sub-Veteran.
7. A shooter who is 65 but not reached his/her 70th Birthday may declare as a Veteran.
8. A shooter who is 70 years of age and older may declare as a Senior Veteran.
9. Age based categories are established on the Birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant of the first day he/she shoots shall be used.
10. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year. Note: Age based special category shooters that are in contention for or desire to achieve All-American Team recognition should review the All-American Team policy in the ATA Rule Book. When there is no Sub-Junior trophy Sub-Juniors will be included in the Junior category. Senior Veterans will be included in the Veteran category when there is no Senior Veteran trophy.

PETS: Shooters are required to have their pets leashed at all times while on the grounds. It is also mandatory that you clean up after your pet. Owners will be held liable/responsible for their animals.

ATVs AND GOLF CARTS: Use of personal ATVs and golf carts is allowed. Owner must have liability insurance.

Proudly made in the USA.

Stuart Patenaude has always enjoyed shooting sports and shot his first registered targets in 1985. His daughter Amy enjoyed shooting too. Together they bought a new trap to replace their old handset. The new trap only threw singles.

There was a lot of talk about the need for an automatic trap that could do it all. The big name companies in the industry had nothing to show.

Patenaude went to work; he needed a doubles trap for his own range. He studied his new auto-trap. He realized it wasn't possible to modify this trap, he had to start from scratch.

The first Pat-Trap was constructed with miscellaneous items he had on hand, including parts from an old AMC Pacer. His new trap worked and it worked well.

Beginning with the very first Pat-Trap every effort has been made to produce the very best machines. Pat-Traps are proudly built in Henniker, NH. USA by trapshooters for trapshooters.
