

Natives Haven fourth season will be ending September 27th, 28th 2019. Hours are 10 am to 5 pm. We want to say THANK YOU to all that visited this year! It is nice to see the word spreading about the benefits of native plants, and many of you have referred friends and family, for which we are truly appreciative. All remaining potted plants will be 40% off. September is a great time to re-evaluate your gardens for possible new additions and or to rearrange plants already there. The new woodland garden is coming along very nicely. Many new plants were added to our list of plants for sale, with more being brought in the spring.
