

JODI (SABO) DETMER - CLASS '84

“All I know is that I’m a fighter and I won’t give up “ Jody Detmer

Jodi moved to Brentwood in 1971 and Graduated in 1984. She resides in Bethel Park with her husband Tom, daughter Kahlie and son Anthony. She worked as the Coordinator of Emergency Transport / Life Flight at AGH until August 2013.

In March 2013, she developed a Gastrointestinal Virus that lasted through May. Her life went into a whirlwind in June 2013 after a 1”tumor was found in her Lower Colon Region. Within one month of diagnosis she had an 8 hour surgery.

Jodi’s Chemo for her Colon Cancer began in August 2013 and has taken a toll. Her 4th treatment caused a 13 day hospital stay. Her Chemo has been adjusted 3 times and she loses feeling in her hands and feet. Genetic testing has shown that she carries 5 Predisposing Genes for the Cancer to return.

Jodi relies on Faith, Her Doctors and the Love of Family and Friends to continue her strong battle.
