Celebration Of Giving: A Scholarship Benefit Gala

Each year, during the month of December we host our annual fundraising event. This event is designed to raise funds for our scholars and thank our partners & sponsors. This event brings awareness to our mission and the great work that we have accomplished and must continue. We celebrate our year of giving by giving back to the community in a fun-filled event that brings joy and excitement to the lives of all who attend.

Calahan League of College Scholars

In our 10 year history, we have inducted 26 students into the "Calahan League of College Scholars" (CLOCS) Mentor Program. In addition to our financial support of \$5,000 over 4 years to each scholar, we provide mentoring sessions that focus on Academic Success, Personal Development, Professional Readiness, and Civic Engagement. Our ultimate goal is to encourage our students to persist to graduation and find success in their careers. This year we are so excited to have inducted 4 new Scholars that will benefit from our ongoing work!

2018 House Music 5K Run/Walk

On Saturday, August 25, 2018 we hosted our 4th Annual House Music 5k Run/Walk for scholarships. Nearly 300 participants joined us at Jackson Park alongside the beautiful Chicago Lakefront. We walked and ran to the soundtrack of house music. Our ultimate goal was to continue to share our mission while encouraging healthy living and an active lifestyle.

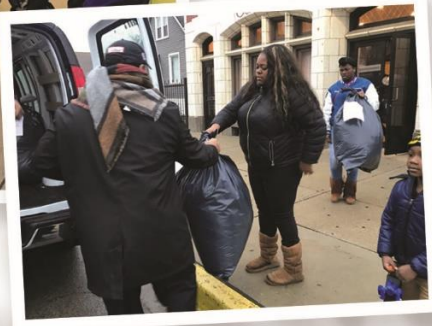

"Helping Houston Heal" Relief Effort

When an unusual circumstance occurs it sometimes requires an extraordinary response. The great thing about fulfilling our mission is that we can be flexible to meet the deep needs of humanity. As you may recall, the residents of Houston, Texas experienced a life altering Hurricane. As a result of our call to give a hand out to those in need, we were able to rally the Chicagoland area to provide over 130,000 pounds of supplies to the victims of Hurricane Harvey. With the help of many Businesses, Churches, Associations, Schools, and other Community Organizations we raised over \$10,000 dollars and collected over 3,000 cases of water, needed supplies and toiletries to "Help Houston Heal"!

Coat and Toy Giveaway

During the winter holiday season, we desire to bring the spirit of joy to children and families living in various shelters throughout the Chicagoland area. In our ten-year history we have given over 3,500 coats and over 7,000 toys. This year we continued our commitment to giving coats and gifts during the Thanksgiving season.
