- *Directors will not discuss cast placement or unhappiness with parts. We will however offer advice on how to improve for better parts in the future.*
- *Please discuss with your child that this is a real audition and we do not always accept every person that auditions. Also, just because one had a lead part one year, does not mean they will get one again. New people come out every year!!!*
- *Parts will be posted on our website Saturday evening August 25th.*
