209-795-1009**

**Hours: Tuesday through Saturday, 10am to 4pm  
Closed Sunday, Monday and Holidays**

The Arnold Branch of the Calaveras County Library System was opened on November 6, 1967 in Cedar Center.

After the death of Edwin D. Greer, MD, the first physician in Arnold, his wife Anne decided that a library would be a fitting memorial for him. Anne Greer donated \$500,000 for the acquisition of land and the construction of a new library building. On January 2, 1997, the library, located at 1065 Blagen Rd in Arnold was dedicated. With the support of our community and our dedicated volunteers, the Arnold Branch Library continues to grow, prosper and serve Arnold and the surrounding areas. In 2017, we will celebrate 20 years in the *Edwin D Greer Memorial Library*.

***Arnold friends of the Library (established 1996)***

***Friends of the Library*** groups are dedicated to the support of the library system throughout the county. Their purpose is to expand and strengthen services while responding to the needs of our community.

Due to budget cuts put into place some years ago Arnold Branch Library is kept open by Calaveras County three (3) days per week. The extra two (2) days that Arnold Branch Library is open to the public are funded by the Arnold Friends of the Library. We appreciate the financial contributions of the Arnold Friends of the Library and their dedication and commitment to the Arnold Branch Library and our community.
