CCCC's Club Mtg

July 10, 2022

Sunday at 10:00 am

On Zoom

A Non-Profit Club Dedicated to Service

CCCC President

Hello Everyone!!

Happy 4th of July. I hope everyone had a great holiday and a safe one! I have been planning some activities for the CCCC and for EBARC. I am still working on the details, but I will send out a message when I have confirmation on the plans.

The questions Jan, AC5RB, asks every morning are fun and interesting. We are all learning a lot from the questions she asks us all who check in on the morning net. If you have time or on your way to work, try to listen and see if you can answer one of her questions. It's fun. We are all enjoying this.

I hope everyone had a safe 4th of July,

Burgie Jones, KE6MSF

CCCC President

CCCC Membership Report

June 2022

In May we added one new member, Rob Johnson, KK6JNI. Welcome to the CCCC family!

We lost two members of the CCCC family recently.

Robert Seymour, KI6KOU, passed the first week of July.

Robert had been a member since June 2, 2008. He was for many years a member on our board and was a great asset. Robert was one of the original members of the Richmond Radio Club and very active with the City of Richmond REACT group. He was one of the advisory members to the City of San Pablo and City of Richmond Office of Emergency Services.

He retired from Chevron in Richmond and with his wife Martha Seymour, KI6KOV, raised their family in Richmond.

His service will be July 27th at St. Joseph Cemetery in San Pablo at 10:00 am.

Another loss to our ham radio family is Anita Mason, wife of Paul Mason, W5ANT. She passed away on Saturday, July 9th. Our condolences to life member Paul Mason, a long-time ham who helped George, W6KQB, put the repeaters up and got them functioning. No notice yet about Anita's services.

CCCC Minutes

June 12, 2022

The Zoom meeting was brought to order by President Burgie, KE6MSF, at 10:05 am. There were 10 members present.

Minutes published in this Communicator, done by Audrey, W6BBQ.

Treasurer Report – Found in this Communicator, by Audrey, W6BBQ.

Net Controllers Report – DJ, KJ6DJ, welcomed Xia, K2XIA, as our new net control for Thursday mornings. Also, his 220 Tuesday nets are getting better participation.

Trivia – Jan, AC5RB, reported that she presented 60 questions since the last meeting. We had 29 different participants through the morning and evening nets. There was only one name that was duplicated. There was only one question everyone missed, and there were 10 questions everyone got right. Thanks to all that participated.

Tech Report – Roger, KE6SZG, thanked Howdie, KE6BEE, for his help on our antenna.

Old Business - None

New Business – Burgie, KE6MSF, talked of the picnic coming up in September, the second Sunday. We will be making a deposit but get it back if the area is cleaned up. Roger, DJ, and Allen have been early birds to set up the picnic area. Vote – unanimous Yes. Roger suggested sending out an email to RSVP and respond. Also sending invite to EBARC, Sharon, AA6XZ, is a good contact. Audrey and Burgie will work out the menu.

Burgie also brought up about meeting place and time, took straw vote on members thoughts. 6 voted to keep Zoom, 4 voted Mountain Mike's pizza night, could be set up a hybrid meeting with Zoom. All would like to work around what

we could do to see people back together. Denny's had a separate room: had to meet too early a time on Sunday. Mountain Mike's would be an evening meeting, but a separate room. To be discussed later.

Audrey will be gone for our July meeting so Alvin, KK6UQX, will be the host.

Roger brought up the \$1500.00 we paid for supplies for our repeater that has been delayed for months. If we cannot get a firm date for delivery, we will ask for a refund. Allen and Howdie will work on that.

Meeting adjourned at 10:58 am.

Respectfully submitted,

**Jan Kuhl,
AC5RB
CCCC Secretary**

CCCC Editor

Hello All,

Hope everyone is well and doing fine. This summer will be a definite plus for us to get together and enjoy face-time functions.

A picnic out at Miller-Knox Park in Point Richmond in September and a Mountain Mike's pizza night is a great way to kick off a couple of new endeavors for us to partake this year.

Please join us Monday through Friday for our Contra Costa Commuter Net at 7:10 am and try to correctly guess Jan's Question of The Day.

Also, being the summertime, traffic is noticeably more congested than usual, stay focused.

Stay safe and 73's,

**Alvin,
KK6UQX,
