

Congratulations, champ! By winning your category in the 2017 Kenda Cup West, we're happy to offer you the opportunity to order the 2017 Champion's jersey at no charge to you!

If it is your first time ordering at ridebiker.com, just go to <https://ridebiker.com/invite/partner/KendaCup> and register. The next step is to check your email for a confirmation link (check your spam filter), click it, and head back to login. You'll now be able to order from the Kenda Cup store. If you have ordered before, just login and navigate to the Kenda Cup store!

Once you have the jersey in your cart, head over to the check out and enter the COUPON code "17KendaCup". This is case-sensitive and will deduct the jersey amount and shipping.

We've added women's jerseys this year as well, to overwhelming demand! If you have any issues, feel free to send an email to info@ridebiker.com and Rory will get back to you!

Finally, we will submit all orders on August 7th, so be sure to order by then!
