

Understanding Your Leadership Personality

The mission of the American Business Women's Association is to bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support, and national recognition.

*Changing Women's Lives...
One Woman at a Time.*

Hybrid Meeting: In Person & Virtual via Zoom

Pinstripes at PrairieFire – 2nd Floor

13500 Nall Ave., Overland Park, KS

5:30 PM ● In Person Networking and Dinner at 6:10 PM

6:30 PM ● Zoom Networking Meeting Kick Off

6:45 PM ● Program and Speaker

7:30 PM ● Chapter Business and Upcoming Events

There are various leadership styles including dominant, influencing, steady, and conscientious. So, which leadership personality makes the most effective leader? Actually, they all do. To be an effective leader, it is essential to understand **Your Leadership Personality** and those of your team members.

In this interactive session, you will:

- Discover your primary leadership style and how you naturally lead a group
- See what your expectations are of your team members
- Confront your style's leadership "blind spots"
- Understand the "why" behind your natural style
