Business Meeting: Marlene presented the club budget and told us what has been paid out so far this year. Joe Parker presented the updated Scholarship application. It should be noted that the application does not affect our original foundation documents. Under our club's by-laws, the application can be updated. This application is much more detailed then what we have had in the past. The scholarship committee did a great job with this. We will have around \$3700 to give in scholarships this year. The application can be found on our club's website.

Next meeting will be Thursday, March 28, hope to see you there!
