

Recital Dance and Music Picture Schedule

Students should be ready to check in to their teacher at least 10 minutes prior to their estimated picture. Individual pictures will be taken first and once the entire group is ready, the group picture will be taken. The photographer will then resume with any other individual pictures. All Solos, Duos, Trios and Music students can get their pictures taken whenever they are at the studio.

Pictures will be taken in Studio B. Studio C will be used as a dressing room and Studio A is where ready students can wait to check in with their teacher.

Picture order forms will be available in the studio the week before pictures. **The photographer accepts cash and checks only.** If students are taking individual pictures in more than one costume they will need an order form for each costume.
