June's Presidents Message

I would like to welcome all the Nobles back from our summer break. Hope everyone had a safe and enjoyable vacation. We had a busy summer schedule with all the festivals and new events going on in our district. Thank you to Noble Grant Poulin for all his work in organizing these outings, and thank you to Noble Mike Abbott for organizing and operating the candy floss trailer at these events. To those Nobles and their wives that volunteered their time, I appreciate your contribution to making these events successful.

The Khartum Shrine Ceremonial is scheduled for October 3rd and 4th in Winnipeg at the Khartum Shrine Centre and Viscount Gort Hotel. If any Nobles are interested in attending, please advise me as soon as possible so we can book hotel rooms and tickets for the events.

The next regular meeting is scheduled for September 23rd at 7pm. Hope to see you there!

Noble Joe Skehar
President Lakehead Shrine Club

Summer Events

In spite of the weather, we had a very successful fundraising effort at the events we went to this summer. At most of the events we were lucky to not have rain but there were some cold days out there. We even joked that they should have held these events in the summer (instead of the fall-like weather we had). In every event the revenues were up which resulted in a two thousand

dollar increase from our total for 2013. We also picked up some new events this year, the Nipigon Blueberry Blast and Fall Fishing Festival and we still have one more new event to go to. That brings our total events for the summer up to nine. On September 20th we will be going to the Marina for Recovery Day which is another family festival. Many thanks to all those that come out and work many long days at this very important fundraising effort for the Hospital Transportation Fund. A full report on revenues will be given at the next regular meeting.

In other news we finally have the firetruck getting work done on it so we can get the safety check done and get it back on the road. It's at Churchill High School, where the students there (under the direction of Noble Jon Watts - 2nd VP) will be looking over the firetruck to see what it takes to get it fixed. Thanks to Noble Watts for arranging this and the many students that will be working and training on the job.
