

## COUNCIL

**Shire** is where the heart is, HOME !

A **Shire** is where people come together to build a community of social responsibility for a pursuit of a common good for all. It keeps local traditions, cuisine, dialect alive. A Shire lives in harmony with the local habitat, environment and it's community.

A **Shire** is a free education provider. It starts CROn entities (**Community Run Owned not for profit**). A Shire owns all the land. It provides cluster homes, security, employment, welfare,...

The Province creates a 'Shire'. Using a formula consisting of population density and area size. A 'Shire' may vary in area size and population density.

The **Province** offers 3 'Advisers' to the '**Shire**'. The 'Shire' than gives the 'Advisers' full time employment. The 'Shire' council is made up of 3 'Advisers' and 2 'Kalifs' (1 HE, 1 SHE). 'Kalifs' are elected every 4 years on the 1<sup>st</sup> Day of Passover Month, Quattro Year by the 1<sup>st</sup> past the post system.

'**Shires**' own all the land in the Province. There is no private ownership of land (no Freehold) or buildings. A 'Shire' provides all affordable housing (cluster homes). Utilities (building maintenance, communication, water, electricity, garbage, sewerage) are 'Shire' owned and operated using DmC (Decision making Committee) management style. Public transport (both people and goods) is given preference. Private enterprises are replaced by **CROn** (Community Run Owned not-for-profit entities).

## SHIRE - Council

A Shire is governed by Committee: '**Shire Council**'.  
A Shire Council consists of 5 individuals. 2 'Kalifs' (1 HE, 1 SHE) + 3 'Advisers'.

There are 2 elected Council representatives: '**Kalifs**' (1 HE, 1 SHE). They are elected (candidates are individuals not political parties) by the 1<sup>st</sup> past the post system. Every 4 years on the 1<sup>st</sup> Day of Passover

## Month, Quattro Year (N-Atm).

A '**Kalif**' candidate can only be elected for 3 terms in the same '**Shire**' either consecutive or spread over their lifetime. However they can seek election in another Shire. **The 3 term rule applies for each Shire.**

A candidate can only stand for election in 1 '**Shire**' at a time. No candidate may be elected while being '**Kalif**' of another '**Shire**'.

Should an elected '**Kalif**' become unable to fulfill their role on a Council. The runner up in the previous '**Shire**' elections will take over as '**Kalif**'. **A HE replaces a HE and a SHE replaces a SHE.**

Anyone registered as living in the **Shire** for more than 70 days and being over age 21 has a right to vote. '**Shire**' elections are not compulsory. **A Custodian Guardian is expected to always vote in all 'Shire' elections. A responsible resident votes.**

**Universe Custodian Guardians** supporters should consider to nominate for election to '**Kalif**'. Once elected they introduce the '**Law Giver Manifest**' to council to implement its Guidance.

**Note!** Members cannot nominate for political office. However they can endorse '**Shunning**' a candidate(s).

**Custodian Guardian** standing for election as '**Kalif**'. Supporters are expected to help with the campaign and vote for this candidate(s). **A multitude of Custodian Guardian candidates. Each Supporter has to make a personal decision which 1 to support. With non Custodian Guardian Candidates each Supporter has to make a personal decision which 1 to support (except shunned candidates).**

**Kalif Duties:** Selects as needed up to 3 Administrators from Provincial Government pool. A Kalif attends, reports, chairs and votes at Shire Council meetings. **The 2 Kalif's (1 HE, 1 SHE) are the public face of Council.**

The '**HE Kalif**' looks after male interests in the '**Shire**'. The '**SHE Kalif**' looks after female interests in the '**Shire**'. Both Kalifs must attend weekly Sentinel training. '**Kalifs**' scrutinize the '**Advisers**' should they find professional fault with an '**Adviser**' they object to the Provincial Government. **Criminal activity by an Adviser is reported to the Marshall's for prosecution.**

Both '**Kalifs**' meet regularly with all the '**Advisers**'. Transcripts (**audio, video**) are taken of each meeting. The public is not admitted

to these meetings. Both Kalifs with all the Advisers hold a public meeting 1 a month. The public can question the Council members. Were possible the Kalifs' and or Advisers reply straight away. Deferred reply(s) are answered at the next public meeting.

**Council** meetings start with a prayer:

## S H I R E - Prayer

A community that is my home  
For the Glory of **1 GOD** and the Good of Humankind

This prayer is used on Shire day and Shire Council meetings !

'**Advisers**' scrutinize the '**Kalifs**' should they find moral or professional fault with a '**Kalif**' they object to the Provincial Government. Criminal activity by a **Kalif** is reported to Marshall's for prosecution.

A local well off community has Homeless (sleeping in rubbish dumpsters) underfed (eating garbage) and struggling (stalked by debt collectors, bullied, harassed,..) people. Many of its people go without the necessities of every day live (eatable food, clean water, decent clothing, affordable, comfortable secure shelter). These needy people live in misery, which often leads to Substance abuse (smoking, alcohol and mind altering substances). This is a selfish community living the 'Chain of Evil'! Failing its duty of human decency. Is this your community? If so it is your duty to change things. Failure to do so is immoral. It is Evil is Anti 1 **GOD**. Evil is asset stripped, **MS R6**

**Council (Shire)** cannot use credit to finance their budget. Shire revenue (**Charges, Taxes and Fines**) goes up Shire services increase. Shire revenue decreases its services are cut back.

A **Shire** dialect is selected by using the language of the 1<sup>st</sup> settlers in the area. Where the 1<sup>st</sup> settlers language is the same as the main language. The 2<sup>nd</sup> and 3<sup>rd</sup> most spoken languages (**not main language**) go into a Shire referendum.

Each **Shire** is responsible for teaching, usage of the main language and local dialect. All '**Shire**' communications are to be multilingual.

## Shire Planning

The purpose of Shire Planning is to utilize land to the most benefit of the Community and Habitat. It is essential that community needs and habitat needs harmonize. All fertile land is utilized for growing food and, or ranching. Some sanctuaries for native vegetation and native creatures are provided. Non fertile land is used for domestic and non domestic building. Existing buildings on fertile land are to be demolished recycled on non fertile land.

A '**Shire**' consists of 1 or more '**Shire Oasis**'(s). A Shire Oasis is made up of: '**SmeC** (Shire medical, education Complex)', '**CRBC** (CROn Retail, Bazaar Complex)', Sanctuaries (natural Habitat), Agriculture, Communal Cluster Housings, Work Chapels.

Water sports are prohibited to stop oil, urinating, menstruating and pooing into water (turning water into sewerage).

Water craft (jet ski, motorboats..) pollute (gasoline, oil, battery acid..) they are banned! Exception: Park Ranger transport (non polluting).
