

Lester Buckley

English & Western Horsemanship Clinic
May 25-26, 2019 • Novato, CA

Private & Semi-private Lessons on Monday, May 27

Novato Horsemen Arena, 600 Bugeia Lane, Novato

Lester Buckley is an engaging multi-discipline teacher, effectively helping his students learn the principle of being “horse centered”... *seeing life through their horses’ eyes*. He shows you how to work with your horse in a way that builds his confidence, increases his athleticism and lets him enjoy his work while bringing harmony and a deeper bond to the horse/rider relationship.

A rare opportunity—we welcome Lester to his first clinic in Novato.

About Lester Buckley

Lester has an exceptional breadth of skill and experience, blending the principles of Tom Dorrance and Ray Hunt with those of Classical Dressage.

He holds a Trainers License from the German FN in both Dressage and Jumping and for many years supervised colt starting and horse training at the Parker Ranch in Hawaii and King Ranch in Texas, two of the largest ranches in the US.
