

HBYC – New Sign-Up Policy

Based on some recent events and their effect on the club, your Board of Directors has instituted the following policy for all events where reservations are required. This policy is effective immediately.

As you may or may not know there have been some changes to signing up for a event. ***If you sign up for a event you must call and confirm 48 hours before the event***, that you are still going to go. You will call the person who is doing that event.

If you fail to confirm you will be removed from the list, you can still attend that event if you do not confirm but you ***may not*** be sitting with the group.

This has become necessary due to the number of people who sign up and are not showing up. We have to make reservations for the number of people attending and when folks don't show it looks bad on the club. Some of the more popular places have stopped taking reservations from us.

We greatly appreciate your understanding and support of this policy.
