## From the Pres.....

Hello, everybody! Ya'll gettin' any rain? Walking across our yard is like walking on a sponge. I don't want to hear anybody say the words "rain deficit". Sorry I missed the February meeting. I thought I had a bad cold, but as it turned out, I had the flu. Eventually I went to the emergency room to try and get some relief, and found out when I got there that my appendix was bad. Double whammy! Anyway, I am much better now, just trying to get my strength built back up.

Glad to hear that Lillian is continuing to improve. Hopefully she will be back to full strength soon.

Springfest is almost here, less than two months now. All of the jobs and responsibilities have been covered. It is up to all of us to keep up our reputation of putting on the best Corvair event in the southeast.

When you read the classified section of this newsletter, you will notice that I have put my convertible up for sale. I am not getting out of the Corvair hobby, I just decided to thin down the herd. I have three cars to try to keep up, and it sits more than I drive it. I would like for someone who will drive it to get it. I have owned the 63 coupe for about 35 years, and would like to hold on to it. And Mom has her 67, so I will still have an early and a late model.

Hope to see a big crowd at the meeting on the 14th.

Keep them "Vairs on the road,  
and do something nice for somebody!  
Chuck
