Introduction

The Western Warriors Soccer Team has been around since 2007, when we formed the team as a community program that welcomed players from all schools throughout New Providence, to compete in the BFA Youth League. Today, we are delighted that our team includes players from more than 10 different private and public schools on the island.

Teams

For the 2019-2020 BFA Season, we plan to field a Boys U13, a Boys U15, a Boys U17 Team, a Girl's U17 Team, and two Men's Team.

Coaches

We are very fortunate to have five very experienced and dedicated coaches working with our team. **Ezzard Charles** and **Terry Girling** have been playing men's soccer for many years, as well as coaching boys soccer since their own children were in grade school. **Paul James**, our technical director, one of only two coaches in the Bahamas with a UEFA B License, and has previously coached both the Guyana and Bahamas National Women's and Men's Teams. **Cherlindria (Dria) Thompson**, a former National Team Player, coached the Girls Team starting in 2015. **Benjamin Blanc** received his coaching license in 2015, and has been a critical success factor for both our Men's and U17 Teams. Kai Davis has been an active coach for Boys U15 and our Girls teams. We are delighted that this year, we are joined by Bahamas Beach National Team star player **Sonny Francois**, who will primarily work with our Boys U13 and U15 Teams. Tate Cuffy, the captain of our Girls Champions Team, will be the Assistant Coach for our Girls Team for 2019-2020.

Sponsors

Our Boys Teams are generously sponsored by BHM Co Ltd., while the Girls U17 Team is sponsored by Bahamas Local.

Practice Sessions

Practice sessions are posted on our website. Please be sure to check your Whatsapp or Facebook in case of poor weather conditions to see if practice has been cancelled.

Our policy, strictly enforced by our coaches, is **"No Practice, No Play"**. This means that if a player fails to turn up to practice, or turns up late, he/she will NOT be starting in competitive games. If for some reason players cannot attend a practice session or game, please try to let us know in advance via Whatapp message to the coach, or by email to sds.bahamas@yahoo.com.

For all practice sessions (and games too), players should ensure that they have an **adequate supply of water to drink**, and further wear proper sun protection.

Registration

Registration forms for all players will be available through September 19, and must be filled out completely, attaching all documents specified.

Cost of Registration

In order to help defray the costs of uniforms, registration fees, and equipment, all players are required to make a contribution of \$160 to the club. If players need financial assistance, accommodations can be made. Please note that players are expected to pay for any lost uniform items, which can range from \$45 for a jersey to \$12 for socks.

Uniforms

We will be ordering 1 JERSEY and 1 pair of SOCKS and 1 GRAY T for every player on the team, based on the height information gathered from players at the start of the season. Players are to provide their own solid black athletic shorts. The images below provide an overview of our uniform package.

Practice T's

At every practice, players are asked to wear a red, blue or gray T shirt. This can be your own T shirt, or you can purchase a red and/or blue shirt Western Warriors Dry Fit shirt at practice.

Key Dates

Player Registration Forms Submitted	September 19
Player Transfer Release Completed.....	September 12

Health and Safety

While the volunteer coaches do their best to provide a safe and wholesome environment for the children, please be aware that all sports activities carry an inherent risk factor, and therefore neither the Bahamas Football Association nor the Western Warriors Football Club coaches, administrators or sponsors accept any liability for any injuries, lost equipment, etc. The team does NOT offer medical or accident insurance for players.
