It is a spiritual 3-dimensional portal using sacred geometry, ley-lines and certain angles to the zodiac that unlocks this demonic pad to enter a city on a grand scale. The gate-keeper and memorial is ascribed to the ruler of the pentagram, Lucifer the Fallen Angel that is the dragon of old, Satan according to the Bible. The Angel of Peace descending on the *Quadriga* of Victory. Such configurations seek to curse and dispel the power of the cross of Christ by invoking the powers of opposites with the up-side-down cross on one of the pentagrams that is very prominent.
