Competition Events & Information

Each Contestant is judged by the selection panel immediately after each event. The score will range between 1 and 10. The high and low scores for each Contestant are discarded in each area of competition.

The three (3) Contestants with the highest overall scores at the end of the competition will be named Miss Birmingham's, Miss Cahaba Valley's, and Miss Hidden River's Teen, respectively.

The Phases of Competition are listed below in order:

★NEW for 2024★ Private Interview with Judges - 30%

New for 2024: Each Contestant is introduced by the panelist chair, will take her position, and immediately present a **brief 30-second introduction/Community Service Initiative (CSI) overview**. Questions may range from current events to personal goals and interests and may be taken from the contestant's resume and CSI essay. At the 9-minute 30-second mark, the panelist chair will inform the contestant of the remaining time. The Contestant may choose to use the time to finish her response to the last question asked or proceed in a closing statement.

Wardrobe: Fashionable attire suitable for a professional job interview.

On-Stage Question/Conversation (OSQ) - 10%

A single question from **the Delegate's Community Service Project (CSI)** will be asked and the response should be no longer than 30 seconds.

Wardrobe: OSQ is completed immediately following the Opening number in Opening Number attire.

Health & Fitness - 20%

This phase of competition is where the Contestant showcases her commitment to health and fitness initiatives. A contestant's discipline and commitment to being physically healthy is a key to success in all other areas of life, and the rigors of representing the Miss America program is a national titleholder.

Wardrobe: Miss America **mandates** that competition attire be purchased from the Rebel Athletic product line, from the the Miss America Go-Red line of fitness wear. Shorts, skorts, leggings and any style top may be worn. Delegates are not required to purchase new attire for each competition!

Note: *All fitness wear choices must cover the intended part of the body fully to avoid any wardrobe 'malfunctions'.*

Performing Arts Talent or HERStory - 20%

Each Delegate will perform a talent presentation **not to exceed 90 seconds (1 minute 30 second)**. Talents may include but are not limited to – vocals in every medium, dance in all forms, gymnastics, baton, circus arts, instrumentals, and drama. The talent competition distinguishes each delegate's skills and personality, interpretive ability, technical skill level, stage presence, the ability to capture the audience's attention, and totality of all elements. *There will be no repeated talents in the competition. If two delegates wish to perform the same song, the first Delegate returning all completed paperwork will reserve that song.*

Wardrobe: Costume of the delegate's choice that is appropriate and in good taste for the chosen talent.

Evening Gown - 20%

Allows judges to have a look into how the Delegate exhibits her own personal style, attitude, personality, grace presence and confidence. Scoring is based on how the delegate carries herself, not on the actual gown she is wearing or the perceived cost of that gown.

Wardrobe: Evening wear of the Delegate's choice, with complementary shoes and accessories

Celebrating Cultural Diversity and Inclusiveness

It is imperative that this nation face and embrace its cultural diversity. While many people have talked about this issue, I believe that most of them have only paid lip service to the true necessity of what needs to be addressed related to this issue. There is a false truth in merely accepting and tolerating cultural diversity. I intend to prove that in order to accept and understand people of other cultures; one must be willing to step out of a personal cultural comfort zone and identify the origin of their prejudice. I will specifically focus on three areas: Children, Communities, and Businesses.

The title of Miss America, combined with the national media already looking at the surface of this issue, will allow me to create the national awareness that must exist. Currently, the term “Cultural Diversity” is well known in the halls of institutions of higher learning and, perhaps, even in the public school classroom because of the need for some to be politically correct. But, in order for us to make a true change in attitudes and behaviors of Americans, we must move beyond talk and into action and policy changes.

My plan is to motivate the media and to partner with the National Conference for Community and Justice. This organization has chapters in every major city in the nation and, in many cases, those chapters have community leaders involved who can, with encouragement and challenging, bring this issue out of hiding and into the public light in each of those communities.

Obviously, the media and the NCCJ already exist. However, what is lacking is a lightning rod to draw attention to this issue. This is where the Miss America Organization steps into the lead. What better role is there for Miss America than to be an agent of change in organizing our nation to accept our differences and to create an environment that values each person on individual characteristics rather than on stereotypes or assumptions?

For years, Miss America was seen as a young woman who cut ribbons and appeared in parades. It is time for “Miss America” to step out of the convertible and *lead the parade*. Our country’s ethnic make-up is changing rapidly and our citizen’s fear of terrorism can explode already existing, but deeply hidden prejudices. I want to be the leader that this nation needs.

This nation needs this issue addressed now and through the already existing NCCJ and its local and state organizations combined with the power of Miss America, we can make a concrete difference now, which will change the direction and the future of our nation.
