Executive Arts LLC, DBA Play On! is a locally owned and operated small business that encourages Denver-area school age children to explore their passion of the arts through individualized enrichment classes and summer camps. These highly collaborative performing arts programs use a hands-on creative approach that allows for a student to find their voice on the stage and beyond. We value the ability to grow along with our students and are delighted to continue to provide life-long learning opportunities in the community we have called home for more than 30 years. Play On! is a partner of the Denver Afterschool Alliance, the MACC at the J and Red Rocks Community College, providing quality afterschool programs to all youth.
