

**Ultra-Foam High Foaming
Rinse Wax (COLORIZED)**
PRODUCT NO.: WH-341

- Solvent Free
- High Gloss Finish
- Effective & Economical
- Decreases Drying Time
- Helps Prevent Oxidation
- Biodegradable
- Cherry Scented
- Available in Red, Yellow, Green, Blue, Pink

Ultra Foam High Foaming Rinse Wax (Colorized) provides an environmentally compatible alternative to conventional solvent-based rinse wax products. As economical as traditional rinse wax products, it provides better beading time and produces no oily film. This product helps to minimize concerns regarding wastewater at car wash facilities.

Applications & Uses	Dilutions	Directions
Automatic Wash Systems	64:1 to 300:1	For applications, dispense through the air injection system at a recommended rate of 6 oz. per vehicle (64:1). For a high gloss finish, wipe vehicle down with a soft, dry cloth. 64:1 DILUTION IS A STARTING POINT - CAN BE ADJUSTED TO A HIGHER RATIO UP TO 300:1.

Suggested Industry Applications:

Automotive Dealerships
Car Wash Facilities
Detail Facilities

Fleet Operations
Highway Maintenance
Auto Rental Companies

Bus Wash Operations
