

Hi, my name is Colette Nunnery I worked in childcare for about seven years teaching one-to-five-year-olds. I took a break as a teacher to be a stay-at-home mom with my children for about a year. I have a three-year-old named Paisley, and a six-month-old named Haven. My husband, kids and I enjoy going boating during the summer, camping, and just being outdoors. During the winter we love going sledding and taking our toddler to do indoor activities to keep her busy. Some of my hobbies as a person are crafts, planning birthday parties, baking, and cooking. A few things I love about teaching is watching the children bloom from the start to the end of the year and teaching them, so they are ready for the future. As a teacher I strive to help them get to where they need to be, and making sure they have a bright future. Teaching has always been a passion of mine, and I can't wait to watch your children grow this school year.
