## Tradition of Excellence

Westside has a longstanding tradition of offering high quality music education opportunities to students. Our students are given the opportunity to experience music through participation in the Westside Choir and Show Choir programs. Westside's first show choir hit the stage over 35 years ago. Today, more than 175 students participate in Westside's award winning *Warrior Express*, *Simply Irresistible*, and *Amazing Technicolor Show Choir (ATSC)* show choirs as performers, band members or stage crew. Many of these musicians also participate in other select ensembles such as, *Chamber Singers* and *Decibelles*.

Under the guidance of our outstanding vocal music directors and with the help of an active Vocal Music Parents Association (VMPA), Westside's music program has become one of the best in the nation, earning numerous titles and trophies each season. Most importantly, music continues to enhance the lives of our students and profoundly contributes to their growth, not only as individuals but, as team members committed to hard work and the achievement of common goals.

## About Hall of F.A.M.E.

Since Westside's VMPA first established Hall of F.A.M.E. in 2002, its members have raised critical funds needed to:

- Hire nationally acclaimed guest clinicians for our choral music students.
- Hire nationally award-winning choreographers.
- Purchase customized music arrangements written for Westside Show Choirs.
- Cover transportation costs not included in the school budget.
- Purchase high-quality costumes (averaging \$700 per student), props, and equipment.

*Please join the 2022-3023 Vocal Music Hall of F.A.M.E. Your support allows us to continue our tradition of choral and show choir excellence. Your support will make this the best year ever!*

“Westside Choirs gave me a place to express myself and try new things. Whether it was *Warrior Choir* or *Show Choir*, I always felt that I could be myself during those times. Mr. Johnson and Mr. Woodin help make music become a big part of all our lives. I'm truly grateful for the time that I had in this amazing program!”
