<b>EMSAC – General Session</b>		<b>1300</b>

*Committees are open to the EMS community and EMSAC encourages participation. Personnel who want to participate on a particular project or committee may simply contact the committee members to be included. The chairman of each committee will adhere to the time guidelines and adjust meeting discussions appropriately. Committees will need to work on various projects throughout the year requiring individual meeting outside of EMSAC quarterly meetings. Times may be adjusted as needed based on the amount of work particular committees may have.*
