

## **LAUREN BOXSELL**

**I am a lawyer by day and triathlete by early mornings, lunchtimes, evenings and weekends (gosh that sounds full on but pretty much whenever I am not working I am either training, recovering, racing or talking about any of the above - much to the distaste of my often neglected non-triathlete pals).**

**I got into triathlon about 8 years ago when living in Melbourne as a way to meet new people and branch out from just running. My first triathlon was the BRW corporate tri and from the moment I crossed the finish line I was hooked!**

**I am definitely going to be lining up again for Rotto and will be supporting all of the rest from a far.**

**I love the grass roots feel of the Sufferfest races and the stunning scenery of the destinations that Event People select.
