A Roadmap to the News of the University Club of Rockford, Illinois

**For club news on covid-19, check e-blasts and Facebook**

## President's Letter

by Pete Rundquist

I am writing this letter just as the COVID-19 outbreak accelerated. I can say that the first half of March was good for the University Club, but the second half was not. There are new rules and guidelines that have changed the way we live. The board of directors has determined that the club will offer a new carryout option to continue to

serve our membership and retain our staff. Please check your email for the latest news and options available with our new carryout/delivery menu.

We hope to be back to near normal soon. For April we still plan to offer the Easter activities. May is the Mother's Day Brunch. Both of these events are very special and are a tradition with many families. Please bring your family and continue or start a new tradition.

We will have a golf league this summer! The plan is to begin on Thursday, June 4 and continue on Thursdays through

July. We are taking names of interested members. Please speak to Kurt, Kelly, or me for more information.

These are unprecedented times. Due to COVID-19, recommendations change daily. The safety and health of our members and staff is of the utmost importance. We will follow the guidelines of the Centers for Disease Control and Prevention and the Winnebago County Health Department to ensure the well-being of all.

Stay safe and healthy, and I hope to see you at the club!

## Member News

Hats off to **Dr. W. Stephen Minore** on being elected president-elect and **Dr. Douglas P. Roegner** on being elected a new board member of the Winnebago County Medical Society.

Congratulations to **Mike Robinson** upon his retirement from OSF Saint Anthony Medical Center.

## 2020 Membership Incentive Program, Win Win!

Can you help us grow membership with this exciting incentive program? It's simple. For all of 2020, when you refer a new member, you and the new member will each receive a \$250 food and beverage credit in the form of certificates. You and the new member will receive five \$50 certificates once

the new member pays his/her initiation fee and first-month dues. There are two slight restrictions -- change will not be given on certificates and certificates cannot be used for tax and gratuity. Certificates will expire one year from date of issue and certificates must be turned in at the time of service.

This incentive is based on a senior membership, so when you sponsor a junior or pool member the incentive will be based on the dues structure for that class of membership.

Thank you for your help, and enjoy the \$250 certificates!

## GM Notes

Wow, thank you to everyone who recruited new members this year. We already have nine new members, and that put us on pace for more than 45 new members for the year. Please keep up the great work!

It would be helpful to receive your suggestions about our new outdoor Tiki Bar. Before we had it, members could bring in food and beverages on the weekends when the clubhouse was closed. Many enjoyed this and the extra value it gave to the weekend pool experience. Others expressed interest in having beverage service available on the weekends. However, if the return on investment is not there, it doesn't make sense. If you would like to weigh in with your suggestions for the Tiki Bar, please email me at [kschiffer@uclubrockford.com](mailto:kschiffer@uclubrockford.com).

We decided to end our reciprocal relationship with Rockford Country Club but will revisit it next year. We continue to work with the Beloit Club and hope to have something in place by the start of the summer.

I encourage all members who have not yet signed up for our email reminders

to do so today. We get as much information as possible into the Syllabus, but with the COVID-19 situation and some opportunities presenting themselves at the last minute, we want to provide the latest information to our members. An example is the upcoming soft-shell crab season. We do not know the exact day they will become available. Once our vendors make them available, the best way to notify members is by email. If you are not receiving emails, please contact Office Manager Julie Sandall at [jsandall@uclubrockford.com](mailto:jsandall@uclubrockford.com) and she will get you and your partner's emails added. Another great way to stay informed of club happenings like our daily lunch specials is on Facebook, just "like" and follow us.

Remember to get your Easter and Mother's Day brunch reservations in early, and please keep us updated if the size of your group changes. Due to the remodeling, we lost a little seating capacity on our main level. Thus we added a 48-hour cancellation policy for Easter and Mother's Day. This will help us accommodate as many members as possible on the main level. When making your reservation for these brunches, please be sure to leave

the best phone number to reach you, as we will call the week prior to confirm your reservation.

April will mark the end of the Forbes University Discussion/Lecture Series for this year. It will resume next January. I thank all the 2020 lecturers, along with everyone who joined us for stimulating conversation and great food. April will also mark the end of the Lunch/Dinner and Movie series until next October. If you have suggestions for Forbes University or movies for next season, please let us know.

A few building and grounds issues for April. Early April is when we typically shut the boilers and heat down for the summer months. The fireplace can take the chill off the building on some of the colder days, but you may want to bring a sweater if you join us on a day when the temperature outside isn't cooperating. Also, we are working with a company on the acoustics in the dining room. We hope to make the room quieter without compromising the aesthetics of the dining room. If all goes well, we should have something in place around Mother's Day.

See you at the Club,  
Kurt W. Schiffer  
General Manager
