

We Are All Kentucky

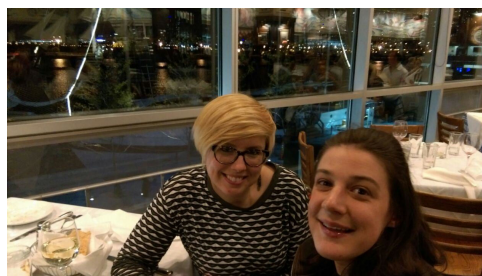

Amanda Stahl

My name is Amanda. I am a **Professional** and an **Advocate**. I am a **graduate** from the **University of Louisville** with a Masters in Social Work. As a Social Worker, I see both views of how Medicaid works, both as provider and a consumer. I receive the Michelle P Waiver. This waiver allows me **opportunities** to have been a student and now a professional.

My life is a reflection of **independence**. I am an Advocate for many things that advance the lives of all people, but especially those with disability. I know firsthand the struggle of being a young professional with many challenges. **I know I will never quit.**

“While I have a job, but cannot work full time or I will lose my supports that help me to be employed. Without the Michelle P Waiver, I would lose my Independence.”
