Re: D115 2014-15 Administrator and Teacher Salary and Benefits Report

In accordance with section 10-20.47 of the Illinois School Code, each school board shall report the preceding school year's Administrator and Teacher Salary and Benefits report (ATSB report) to the State Board of Education, on or before October 1 of each year. The ATSB report should include the base salary and benefits of the district superintendent and all administrators and teachers employed by the school district. Further, prior to the annual reporting to the State Board of Education, the ATSB report must be presented at a regular school board meeting and then posted on the Internet website of the school district.

Please find attached the Administrators and Teacher Salary and Benefits Report for the 2014-15 school year. For the purpose of the ATSB report, salary and benefits data includes the following:

- Base Salary = Contractual gross salary and retirement bumps (6% earnings increases)
- Vacation Days = Number of days awarded
- Sick Days = Number of days awarded
- Bonuses = Bonus amounts paid
- Annuities = Annuities paid by the school district
- Retirement Enhancements = TRS member portion paid by the school district
- Other Benefits = THIS member portion paid by the school district, health insurance portion paid by the school district, and dental insurance portion paid by the school district

Please note the ATSB report requirements do not allow the District to accurately present Shared Service employees (with the exception of the district superintendent) and does not include certified ancillary staff, such as librarians, guidance counselors, nurses, and social workers. As such, we deem the required Administrator and Teacher Salary and Benefits report an inaccurate representation of the District's certified position and salary data.
