## **By Laws of the Apostolic Faith Bible College**

### **Article VII—Doctrine**

It is recognized that the true church of Jesus Christ consists of all believers who believe in the saving grace of our Lord and Savior Jesus Christ and who have accepted Him as their personal Savior. It is recognized and agreed that no organization or man has been granted authority by the Lord to exclude from or accept anyone into the Kingdom of Heaven, as this is done by Jesus Christ only. It is further recognized and agreed that we as Christians are to love all members of the Body of Christ (Christians) and this love and fellowship derives from the unity instilled by the Holy Spirit. Although differences in doctrinal beliefs and interpretations should not influence our love for one another, adherence to similar doctrinal beliefs and modes of worship have bonded together those of the Apostolic Faith Movement as founded by Charles F. Parham in the early 1900's. The scripture teaches us to adhere to the truth and proper doctrine. The common doctrinal beliefs are essentially as follows.

\*Triune God: Father, Son and Holy Spirit

\*Creation and Formation

\*Man is basically sinful and in need of salvation

\*Salvation by Grace upon repentance toward God and acceptance of Jesus Christ as one's personal Savior, which is the conception of Spiritual Life.

\*Sanctification of the Spirit, Soul and Body, a Second definite work of Grace by the Lord Jesus Christ

\*Baptism of the Holy Spirit, evidenced by the speaking in other languages

\*Water Baptism (of all believers) by immersion in water in the name of the Father, and of the Son, and of the Holy Spirit

\*Sacrament of the Lord's Supper

\*Washing of Feet

\*Divine Healing through Jesus Christ for all believers

\*Do not condone divorce and remarriage

\*Destruction of the Wicked

\*Conditional Immortality

\*Rapture of the Man child Class

\*Return of Jesus Christ to earth again; bodily and visibly

\*A ministry supported by tithes and offerings

These doctrines shall be adhered to in the teachings of the Apostolic Faith Bible College, which in addition to other doctrinal teaching approved by the Board from time to time if they are not inconsistent with the above basic doctrines.

## **The Superintendent's Office**

We are several weeks into the new school year, and things are going well. This year we have 23 students enrolled from 10 different states! God has called them to AFBC from all across the nation, and I know He has big plans for this year.

I am amazed by God. The way He orchestrates events and deals with hearts is simply miraculous. It's so exciting to watch as God speaks to people and transforms lives. He wraps His arms around the dirty and broken, strips away the filth, and produces a new creation. I love seeing new believers crave the Word and the presence of God. I love seeing them blossom as God speaks to them. I love to see them continually surrender and be changed from the inside out as God molds them into men and women they are called to be. The fact that God not only allows us, but wants us to play a role in this process by preaching the Truth is both thrilling and humbling.

It's happening! There are new creations here this year. Lives have been, and are being changed! God is moving and people are responding, but we've only begun. Please join us in this war! Pray for our students and their families. Pray that God gives them wisdom and strength. Pray that students discern His voice and are obedient to His will. Pray for our faculty. Pray that God anoints us. Pray that He gives us discernment and wisdom. Pray that He provides rest and strength, as we yield ourselves to Him.

My wife Jenny and I, and the faculty truly appreciate your continued prayers and support, and that is making a difference.

## YOUTH SUMMIT 2018

### *“but God”*

#### YOU NAME IT, IT WAS FULL.

From the dorms to the dining hall, to the services, Youth Summit 2018 was packed. With our largest attendance to date, we had 119 registered teenagers on the AFBC campus. More importantly, the Spirit of the Lord was here too!

The theme was “but God” taken from Ephesians chapter two (v. 3-5). We encouraged students that no matter what they have done, or where they’d been, Jesus loved them and was calling them to a different life. No matter the obstacles in their path if they’d repent and turn to Jesus He would never fail them. Many accepted this truth. We had several students surrender their lives to the Lord for the first time, and had many more rededicate their lives to him. We even had a few receive the Baptism of the Holy Spirit! Thank you Jesus for your faithfulness!

Thank you so much for your continued prayer and support. This is all possible because of the faithfulness and generosity of people like you! God Bless You!

Brian Harris

Ephesians 2:3-5– Among whom also we had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind; and were by nature the children of wrath, even as others. But God, who is rich in mercy, for His great love, wherewith He loved us, Even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;)

## **4-State Junior Camp & Ladies Retreat Report**

The 4-State Junior Youth Camp 2018 was amazing. The theme the Lord gave me was Roots -“Back to the Basics” being rooted and grounded in Him. A special “Thanks” to Bro. Randy Dalton for delivering the true Word of the Lord, . Junior Camp was greater than I could have imagined! There was 8 salvations, several rededications, 24 campers baptized and 6 adults baptized! Thank you Jesus for a wonderful camp!

The Women’s Retreat was truly a blessing! God was leading, guiding and directing in every service. Perfect weather for all services, crafting and enjoying the outdoors. About 95-100 came out and fellowshiped at the 4-State Camp grounds at Baxter Springs, KS. 40-45 ladies stayed in the new girl’s dorm.

We would like to “Thank” Sis. Darla Oakes, Sis. Karen Grimmer, Sis. Christina Derixson, Sis. Debbie Barker and Sis. Kay Wheeler for delivering the true Word of the Lord!

We are looking forward to what the Lord has in store for next year.

## **Southside Apostolic Faith Church-Joplin, MO**

It has been an eventful year so far in 2018 at Southside. In early March we hosted a Ladies Retreat with many ladies from area churches in attendance. Louise Mashburn of Elkins, AR and Missy Sanchez of Joplin were the guest speakers. The worship team from Living Hope Assembly in Elkins were also here for the event. Later this spring we were also encouraged by Mark Taylor of KNEO, Neosho, MO as a guest speaker and Brandon Dorris, Joplin, MO as a guest musician. We participated in Junior and Senior Camps at Baxter Springs, KS again this summer. It is always exciting to see kids and teens seeking the Lord. Also in June Ron Palermo of Caldwell, ID stopped by and ministered to us in service and with a spaghetti supper. VBS was a “blast” this year as kids learned about how “over the moon” in love God is with each one of us and how He has a plan to save us from sin. Some of ours were able to attend Camp Meeting in Laverne, OK in July. We enjoyed Southern Gospel musician Roy Tremble, who sang at our church in early August while he was in the 4-State area. The youth group, led by Kendall and Laticia Glenn, had a back to school lock-in in mid August before going back to school. And later that month Southside was also the gathering place for an area wide youth rally led by Daniel and Katy Bard. It is always good to have Joshua and Jessica Cornell come by for a visit and to share about their work in Mexico. We were glad to see them again in late August also. School has started back now, and several of our ladies attended the Women’s Retreat recently. We are beginning to think about Christmas again, believe it or not. We are grateful to God for His blessings over the past year as well as His faithfulness. We look forward to what He has in store for us and continue to ask the Lord to lead us by His Spirit to be His hands and feet in our part of SW Missouri. May God bless you and cause you to bloom where you are planted to bring forth fruit for the Kingdom as well as we all work together as the body of Christ.

# 60th Anniversary

1958-2018

Roland Haney and Loretta Babb met at the Hinton, AL church in 1958, the same church where Roland was saved as an adult in a Sunday night service under Bro. Earl Morgan's ministry. Loretta had been saved in Follett, TX when she was 10 years old. She and Barbara (Haines) Foster went to the Hinton church in the gospel work with the L.J. Ehrlich's to hold a revival, after finishing one term at the Apostolic Faith Bible College (AFBC) in Baxter Springs, KS. Roland lived near the Hinton church. He had already been in the US Army two years and had served in Italy during that time. He was still in the reserves when he and Loretta met. He was walking to the Hinton church with his cousin, Bryant Carney. Though very bashful, when Roland saw Loretta he said to his cousin, "That one is mine."

Roland and Loretta helped to clear the grounds for the building of the camp at Pine Crest, MS. Three months after they met, they were married. ( Roland asked Loretta what she thought about marrying a preacher. She told him she had always wanted to marry a preacher!) They were married on Aug. 16, 1958 at the Follett Chapel, Follett, TX.

As does anyone who feels completely unworthy, Roland wrestled with the call on his life to preach, but he answered in obedience. He and Loretta lived in Pampa, TX until time to go to AFBC, which had its term beginning at the first of the year back then. Bro. Gail and Sis. Edna Schultz, Bro. Robert Girouard (who was also superintendent), and Bro. Harold Bollinger were some of the teachers that year. Ted and Deanna Barker, Jack Cornell, Kathryn (Booth) Cornell, and Jim Morris were some of the students that year. Several student's weddings took place the summer after AFBC, like those of Homer and Sue Allen and Danny and Pat Robinson. The Haney's later pastored at Snell, MS. Their son, Marty, was born during this time. They also pastored at Crosses, AR. Their son, Warren, was born during this time. They pastored at Cave Springs, AR, Crosses, AR again, Woodward, OK, Shattuck, OK and Edna, TX. They lived at Follett, TX in between pastorates. They also pastored at Rockdale, TX, Follett, TX, Arnett, OK, and Spearman, TX.

A 60th Anniversary Celebration was held on August 18, 2018 at the Faith Community Chapel in Canyon, TX.

## The Journey

Fully devoted to the Lord,  
We've made the journey here;  
From the moment we found each other  
He's been our consolation near.

Though the path has required  
Dependence on His strength,  
It has been worth the struggle,  
Worth going any length.

Caught within the crevices,  
Entangled in the briar  
Were the souls we brought to Jesus  
So He could clean the mire.

For sixty years we've traveled  
Where diversions would beset,  
But we fixed our gaze on the One  
Who has never failed us yet.

And when at last the summit  
Is where we find ourselves to be,  
We will assume the posture  
Of familiar bended knee.

- Sandy Haney

## Changing Seasons-Unchanging God

One thing I enjoy about living in SE Kansas is the changing of the seasons. Especially the change from summer to fall. Having grown up in the panhandle of Oklahoma I wasn't accustomed to all the colorful changing leaves that the Ozarks are known for. Even after living here for 12 years, I still never tire of the magnificent colors and cooler temperatures that fall brings. It seems that just when you think you can't take one more day of summer's heat then a refreshing change comes to usher in relief and beauty.

Recently, many of our friends and alumni have been fighting battles with illness and loss. It saddens my heart to see them suffer or grieve, but in all of this I am also reminded of a truth; seasons don't last forever yet God remains the same throughout all seasons.

We all walk through different seasons in our lives-some pleasant and others which seem unbearable. Despite what we feel or are experiencing God remains good, faithful, loving and kind. His Word and goodness supersedes any diagnosis, trial or difficult season we encounter. And just in the right time, He brings comfort, healing and strength, This is not something new that you have never heard, but simply a reminder of God's faithfulness.

Scripture says, "God is not man, that He should lie, or a son of man, that He should change His mind. Has He said, and will He not do it? Or has He spoken, and will He not fulfill it? (Numbers 23:19 ESV) God will keep His Word. His promises don't change with our changing seasons of life. And while some promises are conditional, God's faithfulness and goodness aren't even dependent on our performance or obedience. He is always good! *Jesus Christ is the same yesterday and today and forever.* (Hebrews 13:8 ESV)

I am so thankful for the constant grace and unconditional love of our Savior. He is so faithful to work things out for our good and to work good in us when we trust Him (Romans 8:28), even in the difficult seasons of life. So let us keep praying in faith for those who have needs. Let us lift up our friends and alumni to the Lord with thankful hearts knowing He is unchanging no matter what we may encounter. He is faithful! He is good!

## ***Greetings From the Panhandle!***

My life changed completely two years ago when God asked me to move. Leaving my home. My family, my friends, my security was THE hardest and scariest thing I have ever done. I couldn't understand what God could possibly have in store for me. I'm ashamed to say I fought God. I tried desperately to reason my way out of the move, to explain to God why I shouldn't go but eventually I obeyed. I moved to the panhandle on Aug. 25, 2016 and my life has never been the same.

I came to Follett, TX with the mindset that God was going to use me in some way to minister to the youth here and boy oh boy was I wrong. While yes I have been involved in the "ministry" and yes I'm sure God has used me in some way while I've been here, the majority of my time here in the panhandle and at the Filling Station has been filled with new friends and youth teaching me and pushing me in my walk with the Lord. I have had the honor of working under and alongside amazing leaders who have called me deeper into true relationship with Jesus Christ and I am continually amazed by the lessons I learn from the teens each week through their openness and desire for more of God.

The Filling Station is a place that was created to invoke an atmosphere of passionate pursuing and freedom. It is a place for youth, from all walks of life, to come together and for a brief moment in time not worry about the stigma of "popular" or "unpopular" or the worries and standards the world forces on them. It's a place of safety and encounter. In two years I have witnessed (and experienced) deliverance in the hearts of many. I've seen teens give their hearts to God, teens learning to walk in the gifts of God has given them, and watched hearts of stone melt into pure and soft and tender hearts that desire only more of the Lord. We have taken mission trips and I have listened to teens open up about their lives, struggles, and the change God is making in their hearts. I've watched them go above and beyond to serve (like Christ) in tough and uncomfortable places. I've been challenged by their willingness and encouraged by the visible works of God. I hear many people speak, in anticipation of a "coming" revival whether in their church, their city, or our nation; but, I propose this thought for you to ponder. Revival is here. It doesn't start with a flyer or a fancy preacher. It starts in the small "yes". The day by day encounter with God. The spark on your own heart that is fueled until it grows and spreads to those around. Revival is in you. It's in me. It's our desire and active obedience to passionately pursue God.

I look back on the time I've spent here and realize... I've encountered revival everyday. A group of 50-75 teens and adults with a few things in common, coming together and experiencing the presence of God, the fruit of encounter, and the excitement of relationship with Christ. If that's not revival... What is?

I thank God for pushing beyond my comfort zone and for giving me opportunity to be a part of something so amazing. I look forward to the coming years with the Filling Station and the plans God has for us all.

"Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with your whole heart." "I will be found by you" declares the Lord, "And I will bring you back from captivity." Jeremiah 29:12-14

## Baxter Springs, KS

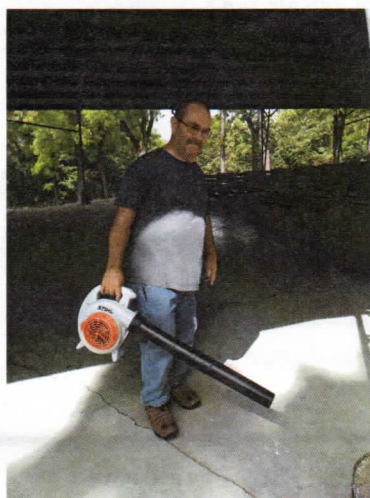

Greetings from Baxter Springs, Kansas ! This past May I was asked to be pastor of the Apostolic Faith Chapel and I humbly accepted. As a baby pastor I've learned a lot and know I still have more to learn. That is why I am so thankful for the patience and support of the church members these past few months as we all grow and mature together.

We are excited about what God is doing in our church in challenging us to reach out to the lost in our community and those in need. We believe that God is wanting us to do some new things in our lives and individual ministries as well as in the ministry and outreach of the church. We have seen God work and move in us and on our behalf many times and are encouraged to continue to step forward and walk in faith for whatever God has next for us. We are excited to see what He is wanting to do in us and through us as an extension of the Kingdom of Heaven and ask for your prayers as we seek His will for our church and for me as well to have the wisdom and discernment needed to lead His people in what He has in store for us. Thank you.

Cody Harris-Pastor

## God Is Still The Healer!

In the early morning hours on Sunday, August 19, I was awoken with a headache unlike any before. I reached over and told my wife, she immediately began researching and said we need to go to the ER, sounds like a thunderclap headache. Mona got the truck and drove it around back of the house. She helped me to the truck but I could hardly walk, my speech was slurred and I couldn't see very well. She tried holding me up and walking me but I was pulling away from her without trying. Finally got in the truck and off to the hospital we went getting there about 4:40 a.m.

Mona called Bro. Randy Dalton and told him to pray. She called our daughter Victoria Segura, our son Kendrick and our daughter Laticia Glenn to let them know what was going on. They all began to pray for me!

A nurse helped me out of the truck into a wheelchair into the ER room. They began to give me something for the headache in the IV line but it wasn't helping very much. I was very thirsty, so Mona got a cup of water for me. I couldn't swallow it at all and started coughing and got choked. A doctor came and told me they were taking me to get a CT scan. After that they took me back to get a CTA scan. On this scan they found an artery was blocked in the lower brain stem. This was the cause of my headache, a stroke. I was then taken by ambulance to Mercy Hospital in Springfield, MO.

After arriving we were told the blockage looked stable, that there was nothing they could do but just wait for my body to begin using other blood vessels to get blood where it needed to go. We all began praying to the Great Physician for healing for my body. All of my family were taking turns reading scriptures of healing out loud in the hospital room.

Long story short, I left the hospital on August 24th to go to the rehab hospital for therapy and speech therapy. I was released on Sept. 1st to go home and begin home health.

I am doing much better now. I enjoyed helping get the 4-State Camp grounds at Baxter Springs, KS ready for the recent Women's Retreat that was held Sept. 28-30. Thank you for all of your prayers. God is still the Healer!!! GOD IS MY HEALER.

## Revival at AFBC

Brian Harris Superintendent

We recently held revival services at AFBC with Bro. Eddie Sanchez and his wife Missy of Joplin, MO. It was an amazing time in the presence of God. The theme throughout the services can be summed up by Ephesians 4:22-24.

*"That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts;*

*And be renewed in the spirit of your mind;*

*And that ye put on the new man, which after God is created in righteousness and true holiness."*

Lives were changed as we sought after the Lord and surrendered to Him. We were reminded that our sufficiency is of God (II Cor. 3:5— Not that we are sufficient of ourselves to think any thing as of ourselves; but our sufficiency is of God; ) and He has a purpose for us (Ephesians 4:14— That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive.). Be encouraged today! Know that Jesus loves you and paid a high price for you, that you might be the righteousness of God in Him. (II Corinthians 5:21— For he hath made him to be sin for us, who knew no sin: that we might be made the righteousness of God in him.)
