- Chief instructor: Field ready for flying. Contact Paul if you want a “refresher” course!
- Safety: Fly Safely!

Announcements:

- Next business meeting: Tuesday, May 3rd, 2016 at the VFW at 7:30 pm.
- Open house will be Saturday May 14.
- Picnic will be May 21 or 22 - chosen shortly prior to event based on weather forecast
- Twin Lakes Float Flys are April 15, May 7, 20 and 28. Check our website calendar, which will be kept up to date by John Baderman.
- Clow Cavalcade will be June 4 and 5. WAM will be in the same hangar as before.

Old Business:

- None.

New Business:

- Get and display your FAA numbers.

Model Building, Maintenance, Hints & Tips: Ed Niccum described a technique for using spray adhesive to reliably apply Monokote trim on Monokote covering.

Guest Speaker: “Guest” was John Baderman talking about his experiences as a Hot Air Balloon pilot based in the United Kingdom. Thanks to John for the interesting presentation.

Guests: None.

Planes for Points: Matt Campos brought a Dyna-flite Fly Baby ¼ scale. DLE 20 cc gas engine turns a 16 x 8 prop. Model has 84” span and weighs 11.5 pounds. Nicely finished with Monokote and Perfect piant.

Meeting adjourned at 8:10 pm.
