To whom it may concern:

Mila Carlson and Associates provided a life care plan and associated expert assistance for my law firm in the case of *Fox v. Barnes et al.* In addition to researching and formulating the plan, Dr. Carlson also testified at a deposition and at trial. The jury verdict was for Plaintiff and the award was \$11 million in compensatory damages, which was the approximate amount of Dr. Carlson's life care plan when reduced to present value.

I observed Dr. Carlson to be very knowledgeable on the topic of life care plans and all indications are that the jury found her to be very credible. She was also very responsive to my firm's requests for information and explanation as we prepared for trial. I can also say that, on a personal level, she was also a pleasure to work with.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Kanovitz". The signature is stylized with a large, sweeping loop that extends to the right and then curves back down to the left, crossing itself.
