Trash should be placed at the curb by 6:00am every Friday morning. As routes are always subject to change, collections can occur between 6:00am and 5:00pm each week.

Recycling will be collected every "other" week on Friday. Please refer to the calendar above denoted as "A" week and "B" week compare it to where you live on the adjacent map to determine if your collection will be "A" week or "B" week.

Holidays are marked in RED and could cause a one-day delay in your collection. The impacted weeks are identified on the calendar above.

Collection schedule

-  Waste collected weekly
-  Recycling **every other week** (same day as waste collection); see calendar
-  Residents will be billed \$44.94 per quarter (senior citizens over 65 receive a 10% discount; senior citizens rate is \$40.44) for 2016
-  Residents will be provided a 96-gallon waste cart and a 65-gallon recycling cart

Carryout service

Residents that are physically unable to transport containers to the curb can have them picked up beside the house at no additional charge. There can be no resident living in the home having the ability to move containers to the curb. Residents that do not meet the requirements of the elderly/handicapped carry out service can pay an additional \$10.00/month to have materials collected beside the house. In all cases, yard waste and bulk items must be taken to the curb for collection. This must be less than 150 feet from the curb. **All yard waste and bulk items must still be placed at the curb.**
