Commanders Message

Another month has passed. We have been way too busy doing honor guard for funerals; thanks so much to George Beach for his leadership in making sure they all go smoothly. I also want to thank Mark Theobald for his three years on the Executive Board with me. I enjoy working with so many people who give their time and talents to keep our club going. I have learned so much from so many in my years here. Come join us and see the total involvement in the community.

I am so thankful for Superior Mechanical, the company I work for, as they have donated a Lennox furnace and central air to a veteran in need.

God bless our troops!

Ron Moore
