Submission Key to Transformation

Hebrews 13:7 - Be responsive to your pastoral leaders. Listen to their counsel. They are alert to the condition of your lives and work under the strict supervision of God. Contribute to the joy of their leadership, not its drudgery. Why would you want to make things harder for them?

Submission may not seem like a popular idea in today's world yet we all submit ourselves to many things. Club or organization rules or memberships. Hippa, Osha.....on and on. For many of us there is a memory from the old man that we were before Christ that wants to rise up in rebellion when asked to submit to spiritual leadership, change a habit, sacrifice time, finances, offer humility or maybe just be quiet. Pray that Holy Spirit will make you keenly aware of these forces in your life and submit always to Christ. Take time to read the story in Matt. 22:15-21. It ends up with these words. "Then give Caesar what is his, and give God what is his."

Our spiritual lives are Gods and should always be submitted to His Kingdom!

TLC Students sing at the Fairview Fellowship Home one Saturday evening a month for the elderly residents.

TLC Graduates and Staff fellowship after a recent Celebrate Recovery evening meeting.

Bramco Inc. is a great supporter of the work here at TLC. They have numerous program graduates employed in their manufacturing business in Fairview. Bramco manufactures round bale beds, Golden Valley brand hunting plot planters, and does other custom truck and body work. Bramco allows employees time once each week for spiritual fellowship in God's word as well as time for prayer about issues facing employees, families, and friends. Thanks to Bramco for supporting our graduates and staff.

Communication - We have been always used occasional letters to communicate with you as supporters. These newsletters include a donor envelope for your convenience. We realize not everyone uses the envelopes as well as some of you have electronic media, e-mail, etc. available to you. Take a minute to indicate your preference to us about future communication. Would you like to receive paper, electronic (e-mail), or be unsubscribed from newsletters. You can do one of the following.

** Write a note letting us know your communication preference and use the enclosed donor envelope to return the note to us.

** Simply e-mail us at "administration@fairviewtlc.net" and indicate your preference, paper or electronic.

** Do not respond and you will simply continue to receive newsletters by regular mail.

Thanks for your help with this matter.

Finances - We continue to be grateful for how God provides for TLC need thru you, our supporters both financially as well as in prayer and encouraging words. We need each part of the body to continue to function. We continue to ask you to consider planned monthly giving of \$20, \$50, \$100. Regular giving stabilizes cash flow but we are certainly thankful for all gifts. We looking at this time to build some "reserves" so your consideration is appreciated. You can take advantage of either by using the envelope provided or the "Donate Now" button on the website at the address below.

**God continues to be faithful in providing resources needed to
continue the ministry here at TLC.**

Thanks for considering us.
