 E-Mail Address: _____

REQUEST, CONSENT & WAIVER FOR SURGERY and/or VACCINATIONS:

I hereby declare that I am the owner (or owner's agent) of the animal(s) listed.

SURGERY INFORMATION: I understand that the administration of anesthesia and surgery present a risk to any animal. I agree to indemnify and hold harmless the PetLuv Nonprofit Corporation, its officers, and employees, and waive all claims, damages, and expenses, including reasonable attorney's fees and costs, in the event of illness, injury, or death to my animal arising out of the spay/neuter operation or any services provided incidental thereto. **I give my permission to provide other services or procedures at additional cost if determined necessary and in the immediate interest of the animal in the veterinarian's professional opinion.** _____ I understand that if my pet is heavily infested with fleas, it will be treated for fleas at a cost of \$10 per animal. I agree that if my pet is in heat, pregnant, or has recently been nursing, there will be an additional charge of \$5-\$15. I understand that I will be required to pay boarding fees if my animal is not picked up by the scheduled date and time, and that if I do not pick up my animal within five (5) days, it will be considered abandoned and may be disposed of or euthanized at the clinic's discretion, and that such action does not relieve me of my financial obligation.

VACCINATION INFORMATION: Please Note re: Vaccinations/Prescriptions: Your pet will be evaluated to determine the appropriateness of immunizations/ products selected. THIS IS NOT A FULL AND COMPLETE PHYSICAL EXAMINATION. Although the benefits of pet vaccinations far outweigh the risk, certain events, some potentially fatal, can be associated with vaccination and can occur within 48 hours. You should be reassured that **vaccine reactions are considered to be relatively rare.**

A partial list of the adverse reactions which might be associated with routine vaccinations are as follows:

- Fever (low grade 24 – 48 hours after vaccinated); Soreness at injection site; Sore Joints
- Vaccine site lumps; Vaccine site tumor (cats only); Iritis (inflammation of the eye)
- Acute Autoimmune Hemolytic Anemia (dogs only)
- Anaphylaxis (acute reaction ie: hives, facial swelling, vomiting) potentially fatal if untreated

REQUEST AND CONSENT:

I hereby request to have my pet(s) spayed/neutered and/or vaccinated by the PetLuv Non-Profit Spay/Neuter Clinic, its veterinarians, and other employees. I give my permission to have the incision area marked with permanent surgical ink. I have read and understood the materials provided to me. Any questions about vaccinations have been answered to my satisfaction. I am aware of the potential benefits and risks of surgery and /or vaccination.

Owner's Signature: ☛ _____ Date: _____

Signature indicates permission for spay/neuter and/or vaccinations

Initialing here indicates permission/payment for removal of puppy teeth ☛ _____

I have received and understand the postoperative instructions and surgical

paperwork ☛ _____ **Discharged from Facility** _____

(Please initial)
