*QAS available

You can register for the SAT at <https://collegereadiness.collegeboard.org/sat>

Also, make sure you purchase the QAS during registration!

The QAS is a booklet copy of the test taken, that includes a table of correct answers and scoring information. The QAS also provides a report that lists the type of question and its difficulty, and whether your answer was correct, incorrect, or omitted. This kind of report is very helpful for you and Straight "A" Academy to help you perform even better on future tests. Note that the QAS is currently only available for the March, May and October SAT.

For more info on the QAS go here:

<https://collegereadiness.collegeboard.org/sat/scores/verifying-scores>

Please also note that we do not recommend the alternative SAS report as this report is not helpful and not comparable to the QAS.
