John 1:12, Yet some people accepted him and put their faith in Him. So, He gave them the right to be children of God.

Perhaps family obligations keep you from making an outright donation. If so, have you thought about considering including New Life Children’s Home in your last will and testament? Such a gift would give you the opportunity to help continue the advancement of the kingdom of Jesus Christ after your lifetime! Others have made this commitment and the Lord has blessed us through their generosity. We praise God for your prayers and your continued friendship!!

New Life Children's Home & Project New Start  
Christmas Sponsorships

This time of year can cause anxiety for the residents at New Life Children’s Home and Project New Start due to not having money or jobs to support their families at home. For most of the residents, it is their first sober holiday in a long time. Please pray for us through the season and if led, please talk with your Church and/or Business about sponsoring and/or shopping for the residents and children. Sponsorships are \$50.00 per person. This sponsorship allows us to purchase Christmas needs for the residents. For questions or more details, please call Lisa Cooper at 870-523-8413.

Christmas is the day that we celebrate the birth of Jesus. Although Jesus has no beginning or an end. 1 John 1:1-2 *That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked at and our hands have touched—this we proclaim concerning the word of life. The life appeared; we have seen it and testify to it, and we proclaim to you the eternal life, which was with the father and has appeared to us.* Christmas is the day Jesus left the splendor of heaven came to earth in human form, a baby in a manger; he came to take away the sins of the world. 1 John 3:8 says *the reason the son of God appeared was to destroy the devils work.* He is the King of kings and the Lord of lords. John 3:16 *For God so loved the world that he gave his one and only son, that whoever believes in him shall not perish but have eternal life.* Project New Start would like to thank all of our supporters. Without you, we could not do what we do.

Maybe Christmas, he thought, doesn't come from a store. Maybe Christmas...

Perhaps... Means a little bit more! Dr. Seuss

Sarah House is our home for pregnant women; there are eight beds in this home. This home gives women a clean environment to live in and a chance to have a healthy baby. Once they have the baby they can move to our Hannah House, a home for mother and child.

When I came into Project New Start, I was broken and very hopeless. For ten years I had been addicted and tried everything to break the chains of my bondage. Now, seven months later, I have been restored by the grace of God. He has given me a bright future and the tools I need to start my life in the right direction. I thank Him everyday for healing my mind and my heart, and Project New Start for helping me through and allowing this to happen. "For, it is by Grace we are saved through faith, and this is not the works of ourselves, but a gift from God." Ephesians 2:8

I lost my way when I began doing drugs at seventeen. For ten years I had a very rough road, knowing I needed help, but didn't know where to turn. When I landed in jail in March 2016 and got court ordered to Project New Start, my life truly changed and I found myself again. I have built a relationship with the Lord that is amazing, and I am now the mother I need to be to my two amazing little boys. I owe everything to God; but also to the program that has helped change my life! Brooke Bookout

It's that time of year again and we are getting in the Christmas spirit! We have started decorating for the holiday season, and the children have made their wish list. The kids really enjoyed doing this as a lot of our children come from homes that are less fortunate. At New Life Children's Home we, as well as our sponsors and contributors, work very hard to ensure that these kids have the best Christmas possible. At the same time we also teach them the true meaning of Christmas. With the hustle and bustle of Christmas it is easy to forget. We get focused on Christmas shopping, presents, Santa Clause, and Christmas parties that we often forget what we are actually celebrating which is the birth of our Savior. If you or anyone you know is interested in becoming a part of making Christmas special for these kids feel free to call our office for more information.

As of right now we have three seniors who are excited about graduation and starting a new chapter in their life's journey. One of our girls has taken the ASVAB which is required when considering joining the Air Force. She made a remarkable score and a recruiter is working with her. As of right now she wants to enlist right after graduation. Our other two girls have been exploring their options on local colleges. After the holidays we will be picking out senior rings, taking senior pictures, as well as ordering invitations and all of the other last minute details before graduation. We are very proud of our seniors and all of their hard work throughout the years. If God puts it on your heart to help these young ladies it would be greatly appreciated.
