The Institution is required to have you sign and date the information included in the School performance Fact Sheet relating to completion rates, placement rates, license examination passage rates, and salaries or wages, prior to signing the enrollment agreement.

Student Grievance Procedure

If a student has a grievance and wishes it to be recognized as such, a written complaint must be submitted to Gendarme Institute in letter format. The written grievance must clearly state the student's name, the nature of the complaint, the name(s) of all parties directly involved in the complaint, and any appropriate documentary evidence.

Steps towards resolution: based upon the information presented in the grievance, steps toward

resolution shall begin with informal discussions headed by the Institute Director. Resolution shall be attempted at the lowest possible level. If a satisfactory solution cannot be reached within a reasonable period, the grievance shall be scheduled for presentation to the Grievance Committee for hearing and appropriate action. Informal discussion between persons directly involved in a grievance is essential in the early stages of dispute reconciliation and shall be encouraged at all stages of the grievance procedure.

If informal recourse fails to resolve the grievance within 30 days after filing, the Institute Director will schedule a Grievance Committee meeting. The members of the Committee will be (3) three. The Committee will review and consider documentary records, which relate to the case, including the grievance and its supporting documentation and any documentary evidence or statement by the person(s) against whom the complaint was filed. The committee and the Institute Director will arrive at a fair and equitable decision. It is the Institute Directors final decision.

If students/school has exhausted procedures and the problem has not been resolved, they have the right to contact the:

Policy on Student Rights

The Student's Rights Policy concerning enrollment states:

" You have the right to cancel this enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Business day means a day on which you were scheduled to attend a class. Cancellation occurs when you give a written notice of cancellation. You can do this by mail, in person, by FAX or telegram. The notice of cancellation, if mailed is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two notices of cancellation forms on the first day of class. If you cancel this agreement, the School will refund any money that you paid within 30 days after your notice is received.

Students are advised that notification of withdrawal or cancellation must be made in writing. This is the process that the student should follow to cancel and obtain a refund (if applicable).

The Cancellation Notice must be addressed to:
Institute Director
GENDARME INSTITUTE
9471 E. Slauson Avenue

Pico Rivera, California 90660

The Notice of Cancellation form will be given to you prior to the first day of class. Read the Notice of Cancellation form for an explanation of your cancellation rights and responsibilities. If you have lost your Notice of Cancellation form, ask the school for a sample copy.

"After the end of the cancellation period, you also have the right to stop school at any time, and you have the right to receive a refund for the part of the course not taken.

Your refund rights are described in the contract. If you have lost your contract, ask the Institution for a description of the refund policy.

"If the Institution closes before you graduate, you may be entitled to a refund. Contact the Bureau for Private Postsecondary Education at the address and telephone number printed below for information.

"If you have a complaint, questions, or problems that you cannot work out with the school, write or call the:

Bureau for Private Postsecondary Education (BPPE) :

2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833.

Telephone. 916. 431-6959 Fax 916. 263-1897. Toll Free: (888) 370-7589

"Prior to signing your enrollment agreement, you must be given a catalog or brochure and a School performance Fact Sheet, which you are encouraged to review prior to signing the agreement. These documents contain important policies performance data for this institution. The Institution is required to have you sign and date the information included in the School performance Fact Sheet relating to completion rates, placement rates, license examination passage rates, and salaries or wages, prior to signing the agreement

If the Institution has given you any equipment, you shall return the equipment within 30 days of the date you signed a cancellation notice. If you do not return this equipment within this 30-day period, the Institute may keep an amount out of what you paid that equals the cost of the equipment. The total amount charged for each item of equipment shall be separately stated. The amount charged for each item of equipment shall not exceed the equipment's fair market value.

The institution shall have the burden of proof to establish the equipment's fair market value. The school is required to refund any amount over that as provided above, and you may keep the equipment.

You have the right to withdraw from a program of instruction at any time.

If you withdraw from the course of instruction after the cancellation period as in paragraph 1, the School will remit a refund less non-refundable registration fee and non-refundable STRF fee within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refunds shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction, which has not been received but for which you have paid, the denominator of which is the total number of hours of instruction from which you have paid. If you obtain equipment, as specified on the first page of this agreement, and return it in good condition within 30 days following the date of your withdrawal, the School shall refund the amount paid by you for the equipment. If you fail to return the equipment in

good condition within 30 days, the School may retain the lesser amount of a pro rata portion as described below (up to 60% of course completion) or documented cost of the listed equipment. You are liable for the amount, if any, by which the pro rata or documented cost of the equipment exceeds the refund amount. If the amount you have paid is more than the amount that you owe, then a refund will be made within 30 days of your withdrawal. If the amount that you owe is more than the amount you paid, then you will have to make arrangements to pay it.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

Hypothetical Refund Example—Certificate Programs: Assume you enrolled in a 720-hours (24 semester units) course, which costs \$5,500.00 for tuition, \$75.00, and a STRF fee and \$250.00 for books.

Assume you made a payment of \$2,000.00 (\$1,860.00 towards tuition, \$65.00 for a book, and the \$75.00 registration fee and the STRF fee. Assume you withdrew after completing 100 hours, which represents 13.9% of the 720 hours. The cost of 100 hours of training is \$764.50. The total refund you are entitled to is \$1,160.50. If you did not return the \$65 book in “as new” condition, then the refund will be \$1,095.50.

For the purpose of determining the amount you owe, you shall be deemed to have withdrawn from the course when any of the following occurs: (a) You notify the School of your withdrawal or the actual date of withdrawal; (b) School terminates your enrollment; (c) You fail to attend classes for a three-week period; (d) You fail to return from a leave of absence. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds

This institution DOES NOT participate in Federal OR State financial aid programs.

If a student obtains a loan (received) to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund in the case of a student's withdrawal.

If the student receives federal student financial aid funds, and withdrew from the

institution the student is entitled to a refund of the money not paid from federal financial aid funds.

If the student received federal student financial aid funds, or a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.

The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.
