## Presidents Letter

---

---

The D.D.A. like any other organization is only as good as its members. The Board of Directors does a great job coordinating the activities of the Association, but the team captains are the key to our success.

A team captain recruits members and a sponsor, organizes a team, and submits a team application in a timely manner. Their job does not end at this point because they are responsible for a lot more. A team captain is also responsible for collecting all applicable team, individual, and sponsor fees and submitting them to the D.D.A. by the beginning of each darting season. They attend a captains meeting at the start of each season to receive their teams packet and go over any change in league rules or format.

During league play they are responsible for filling out and monitoring the correctness of weekly score sheets. Home team captains must call in the weekly scores by noon the day following a match and mail the scoresheets to be received by the D.D.A. within 5 days. Immediately at the conclusion of a season the captains must submit their award roster for team plaques.

Team captains are an extension of the Board of Directors. They are our contacts for any changes in league play or format. Captains need to read and enforce all applicable league rules which they receive in their team packet. If any incidents require Board attention the captain is responsible for filing any grievance or protest in writing within 72 hours.

A team captains job is a huge responsibility. I would like to thank those captains who have done a great job and ask all all captains to continue to perform their duties to keep the D.D.A. a successful organization.

## [DDA Fish Fry 96]

---

---

The DDA Fish Fry will be held Friday, March 29th at the Wayne Boosters Community Center @ 5367 Fishburg Road, Huber Heights. This location is the finest facility in the area for a function such as this. The building is large, clean and well equipped.

On the menu for this year, we have fried cod, baked dinner sausage, wings, french fries, baked beans and cole slaw. Beverages of soft drinks or draft beer are also included as part of the package.

Last years gaming section consisted of black jack, seven card stud, showdown, chuck-o-luck wheel, over and under, video gaming and instant tear offs, expect the same this year.

## DDA Awards Banquet

## Position Round

---

---

A lot of confusion and controversy has arisen over the use of a position round in this year's league play. Prior to this year a split season with playoffs was deemed unfair by a few teams who had shot consistently well all season and did not make the playoffs or receive an award. The split season was eliminated this year and replaced by a solid 2 round 14 week season. The addition of a position round at the end of the season was installed to give teams a last chance to obtain an award position. Position round is not a playoff. It is just an additional week of league that matches teams by position in their divisions at a predetermined location. All points are added to the final standings. The team with the higher position will be considered the home team. If a tie occurs going into the position round the team who scored more points the previous week will take the higher position. If at the end of position round there is a tie, a playoff will be scheduled using the format for playoffs. The D.D.A. asks that all teams throw in the position round even if your team does not have a chance for an award so that scheduling for the next season is done in a fair and accurate way.

## DDA City Singles Championships

---

Everyone is invited to come out and participate in our annual singles playoff. The location is @ Cubbyhole on Sunday, March 31 @ 1pm. Doors open at noon so get out and warm-up before hand. The defending champs are Mary Toney & Jeff Keller. Cost is \$5 to enter, and all monies will be paid back. If you won your divisional singles (fall or winter), you have free entry into this event... shoot well.

## Rumor Patrol....Whats Up

---

---

-just some tidbits...

-we didn't do as well as we have in the past @ the All\*Star match in Columbus (we finished 4th)...

-the Gem City Open Tournament lost money last year, but we are planning on having another big tournament in 96 and we expect to fare much better...

-the DDA Fish Fry made money last year even though attendance was low... we think this one will do even better, so come on out & enjoy the food & fun...

-we may need to charge a nominal fee to those attending the awards banquet due to increased expenses, a smaller than usual membership and a non-profitting Gem City Open...

-the DDA Board Meetings are now the first Tuesday of each month at the Kettering Government Center @ Lincoln Park & Shroyer @ 7pm...

-the Monday night doubles league is running smoothly... despite the weird games like; odd cricket, 501 double doubles & halve-it... everyone seems to enjoy the format & relaxed atmosphere... look out for more new games in the future...

-for an evening of fine dining & cheap entertainment, come on out to the DDA Fish Fry & enjoy our main attraction, the clueless dealing of Ray Ray & Partee... words do them no justice, we'll have to get some video this year...

-we'll try to keep everyone posted on whats going on with this column in the future...

## Board Positions Opening Up

---

---

We are accepting nominations for the following Board Positions:

<u>Positon</u>	<u>Held By</u>
Vice-President	Lou Lovash
Trustee	Nicky Lewis
Trustee	Raelea Link
Trustee	Brenda Matlock
Trustee	Austin Partee

As a member of the Board of Directors of the DDA, you will be expected to attend the monthly meetings. At the meetings, decisions are made and input from all is helpful. Committees are formed to handle various tasks, such as, scheduling, banquet, tournament, fish fry and everything else we do. You will be expected to participate in many of these events, if not on the direct committee, then to show up & help run them.

You are expected to know all of the rules as if you wrote them, because you will be asked questions while you are trying to play a game, so don't let it bother you. For all this you will not be paid, this is a volunteer organization. The only person paid is the Secretary, because with that position comes way more than is expected of everyone else.

To nominate someone, just write thier name on a piece of paper & submit to the DDA. Please include the reason you think they would make a good board member.

We will then contact the individual & see if they are interested in running for the Board.

You may nominate yourself, if you think you have the time & would like to contribute.

NEWSWEEK article: Jan.29, 1996 p.8

WHILE YOU WERE SLEEPING(England)

Televised snooker and darts have long lulled Britain's late-night TV audience to sleep. Now a former editor of The Sun newspaper, famous for its nude "Page Three Girl" feature, is waking them up with- yep- "Topless darts at 11." Contestants are taped not in a London pub but on an Australian beach, which offers an ample supply of already topless revelers. The object of the game: score a bull's-eye and win a T shirt. The British Darts Organization has formally complained that the show is "undermining the sport of darts and demeaning women"(in that order). But there are no plans to pull the program.

Like I really needed another reason to dislike the BDO ;-).  
Sorry, don't have a scanner to include the photo which came with the article. Maybe our friends from Oz can look into this interesting development for us. How about it, Chris?

## Yes, we have no Subs

---

---

We have no "subs" in our league. If you play on that team, you are a member of that team & must become a DDA member. The cost is \$11 per year and the year starts with the Fall League. You cannot play on another team without approval.
