PRESIDENT'S MESSAGE

Hello Sherway Neighbours!

My name is Ryan Enright and I have had the privilege over the last eight months to work closely with a great group of people to restart the Sherway Homeowner's and Recreation Association est 1976 (SHORA). In 2016, it was very clear that our neighbourhood cares about where we live, with the tremendous attendance at May's Stormwater meeting and October's Annual General Meeting, both at ISNA School. What may not be widely noticed however, is the large amount of volunteer work that happened behind the scenes, to lay the foundation for what I genuinely believe will be a strong Homeowner's Association.

SHORA is very fortunate to have 15 residents volunteer their time and expertise. All have committed to a Director's role, servicing a different portfolio. Without these people, this association would not be possible. Our group mandate is to represent and advocate in public for the betterment of Sherway, create recreational events for all of our members, and to be knowledgeable regarding all issues affecting Sherway.

To help you stay informed with events and news affecting Sherway, we have created a website that I encourage you to visit regularly, at www.sherwayhomeowners.com. This website is maintained and updated often, and is the easiest way for you to know what is going on in Sherway. If you have questions or concerns that the website doesn't cover, I encourage you to reach out to us on our Contact Us page.

I hope to see you all on February 5th, 2-4pm at Laughton Heights Park Rink for our Neighbourhood Warmup and Skating Party for a hot chocolate!

CELEBRATING 40 YEARS OF SHORA WITH A NEW LOGO

"I feel our neighborhoods definitely have a commitment to each other and I am very proud to live here!"

Stacey Baker,
Graphic Designer
www.staceybaker.ca

With the ushering in of the 2016/17 season of the Sherway Homeowners and Recreation Association, it was the perfect time to celebrate the 40th anniversary of SHORA with a new logo. While wanting to honour our history and our neighbourhood landmark, the Middle Road Bridge, SHORA set forward with working with graphic designer and typesetter, Stacey Baker.

Stacey is a professional graphic designer and print production artist with over 12 years of freelancing experience, mainly within the corporate and commercial sectors. She is also a resident of neighbouring Applewood Acres where she lives with her husband and two young children who attend Westacres Public School. She is an active member of the community, often seen volunteering her time and services to the school.

When approached by SHORA, Stacey generously donated her time and services to redesigning the logo. "I feel our neighbourhoods definitely have a commitment to each other and I am very proud to live here!"

On behalf of all members of the Sherway community, SHORA would like to extend our gratitude to Stacey for her beautiful work. We love the modern, clean look of the new logo which also honours our neighbourhood's history.

ENVIRONMENTAL UPDATE

It has come to the attention of SHORA that some neighbourhood residents have recently noticed industrial odours.

We are now tracking these incidences. If you have noticed any such odours, please contact Angela Pye, Director of Environment for SHORA, at shoraenvironment@gmail.com. Please indicate time, description of odour, location, weather conditions, wind direction etc. in your email to help facilitate our tracking of these incidences.

RINK DONATIONS

The Laughton Heights Park skating rink is now open, thanks to the dedication of a handful of volunteers.

In order to make the rink a safer and more enjoyable place for all skaters, SHORA is looking for donations of carpet remnants to be placed around the boards to help facilitate coming on and off the ice.

If you have any old carpet remnants from a recent renovation project that you can donate, please contact SHORA at info@sherwayhomeowners.com.

YOUR VOICE COUNTS!!!

Do you have ideas of things you would like to see happen in our community? Event ideas? Community engagement ideas?

We are looking for feedback from Sherway residents as to the types of events and community engagement opportunities you would like to see happen. Please email us with your ideas to info@sherwayhomeowners.com.
