Dear Mr. Asher,

Thank you for notifying us that the Greater Edmonds Chamber of Commerce has been awarded a \$25,000 Hazel Miller Foundation Grant for "It's an Edmonds kind of 4th". These funds will help significantly with the continuance of this long-standing Edmonds event.

I would also like to thank the foundation board for selecting the Greater Edmonds Chamber of Commerce "It's an Edmonds kind of 4th" for this prestigious award. We are grateful that they see the value of this very special celebration to the Edmonds community and South Snohomish County. As one of the few communities in Snohomish County that still celebrates this special holiday in grand style, we greatly appreciate their very generous support and look forward to creating a long-term partnership with them.

In compliance with the grant requirements, we will complete regular documentation and updates on this project. Please do not hesitate to contact me if you have questions or concerns about the compliancy of this grant, or if you need any information.

We also look forward to future discussions regarding the Hazel Miller Foundations continuance as a major sponsor of this meaningful community event.

Once again I'd like to thank you for your highly valuable support of our organization and the Edmonds community.

Sincerely,
