

Hoppy Hearts

Materials Included:

- 1 foam heart
- 1 pipe cleaner
- 2 googly eyes
- 1 medium pom-pom
- 4 strips of black paper

Things You Need From Home

- Glue
- Black Marker

Instructions

1. Glue your pom-pom right in the middle of your heart and glue the googly eyes onto the upper half (above the pom-pom nose). Using your black marker, draw a happy face under the nose. Set aside to dry.
2. Fold each of your black strips of paper back and forth like an accordion. (The smaller your folds, the more springy the arms and legs will be)
3. Glue 2 of your black springy paper strips onto the bottom of your heart (legs) and the other 2 paper strips one on each side for arms. Set aside to dry.
4. Fold your pipe cleaner in half and wrap it around your finger lightly. When you remove it from your finger, it should be curly. Glue it onto the back of the heart above the eyes.
