### **MLDR Headline News from the USATF Annual Meeting**

- At the annual meeting, the Masters LDR Committee elected a new Chair, **Lloyd Hansen**. They also re-elected **Bill Quinlisk** as Vice-Chair and **Doreen McCoubrie** as Secretary, and elected **Pam Fales** to the new position of Treasurer.
- **Mary Rosado**, who is stepping down as Chair, supported Hansen as Chair, noting his many contributions to Masters LDR during his service on the Executive Committee, Championships Subcommittee, Masters Membership Initiative, and as WMA delegate. As an active Masters LDR runner, Hansen also brings that perspective. Hansen and the entire Committee thanked Rosado for her important service as Chair over these last 4 years. Rosado will focus her future energies on WMA, Anti-Doping, and Law & Legislation, areas where she has made multiple important contributions over the years.

- Six athletes were inducted in the Hall of Fame. They included **Doreen McCoubrie**, **Marisa Sutera Strange**, and **Debra Wagner** ( Road Racing), **Madeline Bost** and **Tom Dalton** (Cross Country). **Bill Roe** also was the posthumous winner of the *Otto Essig Award* for outstanding service to Masters LDR.

### **Message from incoming MLDR Chair, Lloyd Hansen**

Our Committee's main priorities going forward are: 1) establishing a strong, geographically diverse set of Championships; 2) improving communications at all levels; 3) establishing closer linkages with Masters Track and Field, and 4) bringing in new people who are willing to help.

With that in mind, we have initiated quarterly Zoom calls with representatives from our competing clubs. **On our first call, we had 54 "club ambassadors" representing more than 30 clubs from all parts of the country.** We discussed our priorities and plans for the future and details of upcoming events. If you would like to be invited to participate in future calls, please send me an email [mldrchair@usatf.org](mailto:mldrchair@usatf.org) with a copy to [pamfales.usatf@gmail.org](mailto:pamfales.usatf@gmail.org).

We also have established two key subcommittees, which we will continue to expand:

- First, **Championships**, which will include myself, **Paul Carlin**, **Eric Heintz**, **Irene Herman**, **Perry Jenkins**, **Bruce Kirschner**, and **Bill Quinlisk**. We especially want to welcome **Eric Heintz** from the Atlanta Track Club, Irene Herman from the Impala Racing Team, and **Bruce Kirschner** from the Boulder Road Runners who are new members of our Championships team.

- Second, **Communications**, which will initially include **Paul Carlin**, **Bruce Kirschner**, and **Pam Fales**.

In addition to these committees, we are also looking for volunteers to help us with our websites and awards. If you would like to contribute, please let me know.

Finally, **Perry Jenkins** will have new responsibilities to work closely with Masters Track and Field to help identify synergy, especially in communication

and marketing. **We want to have a united effort to serve our masters athletes.**

### **2021 Masters Grand Prix Championship Schedule**

The 2020 Masters Grand Prix schedule was decimated by the pandemic. With vaccine inoculations beginning, we feel confident about our ability to emerge from this difficult period. But the pace of emergence is still uncertain. The present schedule includes the following:

#### **2021**

June 5	USATF Masters 1 Mile Championships	Rochester, NY
	<i>Rochester Mile</i>	
Sept 19	USATF Masters 12 km Championships	Highlands, NJ
	<i>By Hook Or By Crook 12K</i>	
Oct 17	USATF Masters 5 km Cross Country Championships	Boston, MA
Nov 7	USATF Masters Half Marathon Championships	Syracuse, NY
	<i>Syracuse Half Marathon</i>	

We have already begun work on our 2022 Masters Grand Prix schedule and plan to have a full schedule, high quality events, with much more geographic diversity. **Importantly, we are committed to publishing the entire 2022 schedule by October 2021.**

**The 2022 Masters Grand Prix schedule will kick off with the 2021 USATF Club Cross Country Championships in Tallahassee, Florida on December 11, 2021.** The goal is to have 8-9 geographically diverse Championships on the 2022 calendar, with emphasis on our MLDR Centers of Strength: 3-4 in the East/Northeast, 3-4 West, and 2 in the Midwest/South.

**The Club XC Championships in Tallahassee will not only initiate the 2022 Masters Grand Prix, but they also give us the opportunity to celebrate the Award Winners from the 2021 Grand Prix. Don't miss it!**
