

Georgia Larson

Georgia Marie Larson is the daughter of Tyler and Carmen Larson of Keweenaw Bay. She is six years old and just finished Kindergarten at Baraga schools where she was selected student of the month in March.

Georgia is the middle child with one older sister, Jaycee, and a younger sister, Tessa. Georgia loves playing basketball, t-ball, figure skating, riding her bike, and camping. In Georgia's down time, she can be found drawing in her room or catching up on the latest episodes of Cookie Swirl-C. When Georgia grows up she wants to be a dentist or a doctor or a teacher—she doesn't know yet.
