

Belfast Community Works'

Saturday, October 5

9 am - 1 pm

**First Baptist Church
95 High Street, Belfast**

Free Event

All are welcome!

Build community • Save money • Keep stuff out of the landfill !

Our volunteers work with you on your broken item.

Note: Bring replacement parts, if you have them.

We will have a sewing machine for items that need mending.

If your bike has a flat tire, for example, bring in over and we will help you to patch it or replace it (please bring an inner tube).

Bring small electrical appliances that need repair. We will have some common parts on hand available at our cost, but bring replacement parts if you have them.

Visit us on online at BelfastCommunityWorks.org and [FaceBook.com/BCWmaker](https://www.facebook.com/BCWmaker) .
