Tiffany Berg Coughran is the creator of the Make Peace Systems. Her systems combine clinical tools of chaplaincy with the neuro-linguistic practice of Ideal Life Vision, addiction/recovery and forgiveness therapy. Tiffany has been a professional speaker, author and trainer since 2002. Tiffany was widowed by cancer in 2009 and returned to school, receiving her training as a certified corporate and hospice chaplain. She is a professional consultant for media on grief and addiction recovery. Her clinical processes have been featured in 2014 and 2015 at the Utah Society of Social Work Leadership in Healthcare.
