

Dear VFC Family and Friends,

We have been monitoring the COVID-19 situation closely in the state of Virginia where many states have enforced a ban on gatherings and increased social distancing as a precaution against the spread of the Corona virus. As of March 24, 2020, Victory Fellowship Church COGOP-Manassas suspended all church services for a minimum of 30 days or until further notice.

Information updates as well as new/changing activity will be posted on our [Facebook](#) page and on this website. It is a time for us to be fervent in prayer for our leaders, medical professionals, and every family, as we use this unprecedented time in history to seek God for direction while sharing the gospel of Jesus Christ and His salvation. We ask that you keep the world in prayer, especially those affected physically, emotionally, and financially due to this pandemic. God remains on the throne with all power and might!

Despite the closing of many facilities, churches are connecting in a multitude of ways that can still reach others...our God is incredibly creative, and we're open to following His will in whatever method He directs.

May you all be safe and allow Jesus' love to shine in and through you as you minister to the needs of others.

In His service,

Pastor Dale C. Marshall
