

IMPORTANT NOTICE...

In light of the continued spread of the Coronavirus, and for the safety & health of our staff and students, On-Site Insurance School's physical school locations will be closed until further notice.

However, please note that our staff will be available remotely, via phone and e-mail, to support our students and answer any questions.

We have created a virtual environment platform to conduct future classes.

We will re-evaluate the status of our physical school locations on a weekly basis, based on the guidelines set forth by our local and federal government.

We will keep in close contact with our currently registered students via e-mail with any updates. Please stay safe and healthy and thank you for your understanding during these unprecedented times.
