

## KWI MISSION

---

Our mission is to empower Christians to pursue their divine assignment with excellent proficiency and achieve the fulfillment of destiny. Regardless of your academic, work experience or spiritual background, you will find our programs are designed to recognize your worth as a human being created in the image of God with all the potentials requisite for great achievements. Our method of training is a practical hands-on curriculum that launches you into pursuit of your divine assignment during the program. Dr. Kenneth Walley directly mentors every participant and provides spiritual covering. Our ultimate goal is to help YOU harness YOU to become the YOU of God's original intent.

## PROGRAMS

---

We currently offer two programs that are beneficial to Christians who are attempting to pursue goals whether in secular or ministry or both.

## STRATEGIC LEADERSHIP COURSE

---

This program is designed to equip people to acquire leadership skills for the pursuit of purpose. The goal here is to bring out the leadership potentials inherent in participants to overcome bureaucratic obstacles and secular competition. You will learn how to take advantage of all the human and logistical resources that are already available to you as well as how to expand your horizon. This course is recommended for those with entrepreneurial positions or goals like Enterprise, Non-profit and Church Leadership.
